

Delta Gamma Fraternity Designated Driver Agreement

As a member of _____ chapter of Delta Gamma Fraternity, I agree to abide by the following Guidelines and Responsibilities.

- The designated driver must agree to abide by all federal, state, provincial and university laws.
- The designated driver must agree to abide by all policies and procedures of Delta Gamma Fraternity.
- The designated driver must agree not to consume alcohol or any controlled substance during travel, the event or the day of the event.
- The designated driver must not permit consumption of alcohol or controlled substances in her vehicle.
- The designated driver must certify that her personal automobile liability will be covered by either her parent's (s') or her personal automobile liability insurance policy.
- The designated driver program requires one other non-drinking person in the vehicle at all times.
- If the designated driver is unable to drive to the event for which she has volunteered, she must notify the chapter president so that alternative arrangements may be made.
- The designated driver must acknowledge the serious nature of her responsibility and further acknowledge that she is volunteering under her own free will, without duress or inducement of any kind.
- A member may not be required to act as a designated driver as a sanction resulting from a Statement of Obligation Review.
- The designated driver must understand that this does not take the place of approved chapter transportation for events, which are a distance from the chapter (determined by the ATC), or for those which involve alcohol.
