## **Summary of Qualifications**

Summarize the extent to which the nominee meets the award criteria, citing relevant data or other materials illustrative of exemplary performance as an educator. This summary should be in your own words and can include letters of support from students, faculty and administrators.

The following questions should be addressed:

- In what ways does the nominee engage, stimulate and support undergraduate students in their academic endeavors?
- In what ways does the nominee support other aspects of student development?
- What contributions has the nominee made to the overall quality of education and student development at this institution, i.e. advising student organizations, mentoring students, working with students outside the classroom, serving on committees which impact the undergraduate educational experience?
- What is your relationship, your chapter's and others' with the nominee?

## **Supporting Material**

Attach a copy of the nominee's resume or curriculum vita. Include **one** letter of support from a Delta Gamma member in good standing.

Additional material, which supports the summary above, may include:

- representative materials developed by the nominee
- **maximum of three additional letters of support** from students, faculty, advisers, administrators, colleagues or members of the community
- student newspaper, local press or alumni publication articles about the nominee
- other pertinent information about the nominee
