

COLLEGIATE DIRECTOR QUICK GUIDE

director of committees

Chapters with more than 75 members should have a director of committees, though smaller chapters may also choose to have this position. The director of committees reports to the chapter president and serves on the joint chapter management team (JCMT). This position coordinates the chapter committee structure. Committees consist of members from all classes in the chapter. They give more chapter members a voice in planning chapter activities and help assist JCMT with their responsibilities.
