

Excused Status Application

POLICY

A member may apply for Excused Status one academic year following their Initiation, unless an extreme circumstance applies. A member may be on excused status for a maximum of three (3) semesters or six (6) quarters. This status may be granted for any of the following reasons: financial, attendance, nonresident/abroad, and academic/professional; however, no application is guaranteed approval by Honor Board.

The recommended submission dates for Excused Status requests related to academic/professional and non-resident/abroad reasons are April 30 for the fall term and October 31 for the spring/winter term.

*Note: Being approved for Excused Status does not dismiss members from upholding the terms outlined in a signed Member Housing Agreement (MHA) or Room Agreement (RA). A member requesting financial Excused Status needs to submit a Waiver Request to the Housing Waiver Board once the chapter Honor Board has addressed any changes to chapter dues and fees.
