We are the
DO GOOD SISTERHOOD

Foundation Overview

The Delta Gamma Foundation fosters lifetime enrichment for members, promotes Service for Sight and partners with the Fraternity to ensure the future of our sisterhood. Our dedicated members and friends make this mission possible through philanthropy, service and generous gifts to the Foundation, which fund our three areas of support: Individual Member Support, Training and Programming, and Service for Sight.

We are one Delta Gamma, but in accordance with Internal Revenue Code, the Foundation and Fraternity are two separate organizations. In 1951, the Delta Gamma Foundation was formed as a complement to the Fraternity, creating a vehicle for members to promote the educational interests and social responsibility referenced in Article II of the Fraternity Constitution. Each entity offers unique opportunities for our members to do good. To see how we are living out this motto, view our most recent annual impact report and 990 Report.

The Foundation is governed by the Delta Gamma Foundation Constitution and Articles of Incorporation. Six elected members, and three ex-officio members who serve concurrently while in the Fraternity Council positions of Fraternity President, Council Trustee: Fraternity Programming, and Fraternity Treasurer, lead the Delta Gamma Foundation to ensure the fulfillment of its philanthropic mission. The Foundation has a body of voting members who participate in an Annual Meeting to determine both the leadership and direction of the Foundation.

The Foundation Focus contains ready-to-use information on topics relating to the Delta Gamma Foundation for both collegians and alumnae as we pursue our motto to do good. The Foundation is an umbrella over all of our membership, both collegians and alumnae, and has programs and areas of involvement that support all groups. This resource provides introductory guidance and resources for all Delta Gamma groups to engage meaningfully with the mission of the Foundation.

Thank you for your commitment to our philanthropy Service for Sight and for your support of your sisters. Together, we can do good and make an amazing impact. Should you have questions related to this resource or the information contained within, please use the contact list included at the end of this resource.
THREE AREAS OF SUPPORT
Individual Member Support

Endowments and annual gifts allow the Foundation to provide merit-based undergraduate scholarships and graduate fellowships, and need-based scholarships. Crisis Grants provide funding for members experiencing dire financial need. Initiated members can apply for these scholarships, fellowships and grants through the Delta Gamma Foundation.

**Merit-Based Undergraduate Scholarships and Graduate Fellowships**

Scholarships reflect Delta Gamma’s commitment to education through continuing investment in members seeking their undergraduate, graduate or professional degree. Scholarship/Fellowship funds are sent directly to the institution for educational expenses. Many chapters have scholarships established specifically for their chapter members. Information and electronic applications, including all required documentation, are accessible on the Delta Gamma website at [www.deltagamma.org/foundation/applications](http://www.deltagamma.org/foundation/applications). Learn more about funding a merit-based scholarship or fellowship in the DG website library or click [here](http://www.deltagamma.org/foundation/applications).

**MERIT-BASED UNDERGRADUATE SCHOLARSHIPS**

- Delta Gamma Foundation merit-based scholarships are awarded on a competitive basis to qualified, initiated members pursuing undergraduate degrees.
- Candidates must have a 3.0 or higher cumulative GPA on a 4.0 scale or the equivalent.
- Applicants must be initiated by December 31 of the current calendar year in order to be eligible. For example, if applications close March 1, 2024, applicants must have been initiated by December 31, 2023 to be eligible.
- Selection is based on scholastic excellence, Delta Gamma involvement, campus involvement, service, work experience and essays.
- Funds may not be used for Delta Gamma dues or expenses.
- Applications are submitted through SmarterSelect.
- Undergraduate merit-based scholarship applications are due annually by March 1. The award recipients are announced during summer.

**MERIT-BASED GRADUATE FELLOWSHIPS**

- Delta Gamma Foundation merit-based fellowships are awarded on a competitive basis to qualified, initiated members pursuing graduate/professional degrees.
- Selection is based on scholastic excellence, contributions to chosen field, past and current Delta Gamma activities and leadership roles in collegiate chapter and alumnae group, and campus and community involvement.
- Applications are submitted through SmarterSelect.
- Graduate fellowship applications are due annually by April 1. The award recipients are announced during summer.
Sisters Helping Sisters: Need-Based Scholarships

These awards are offered to collegiate members who have proven student loan debt and unmet financial need. Information and electronic applications, including all required documentation, are accessible on the Delta Gamma website at www.deltagamma.org/foundation/applications.

- Each recipient is granted $2,500 paid directly to the college or university for credit to her account for educational purposes only. Learn more about funding a Sisters Helping Sisters: Need-Based Scholarship in the DG website library.
- Funds may not be used for Delta Gamma dues or expenses.
- Applications are submitted through SmarterSelect and grants will be made as funds permit.
- Applications will be accepted from current, initiated undergraduate members of Delta Gamma Fraternity in good standing.
- Applicants must have completed a minimum of two semesters or three quarters of college coursework (which generally means sophomore, junior or senior status).
- Applicants must have a 2.5 or higher cumulative GPA on a 4.0 scale or the equivalent.
- Applicants must have accepted financial aid from their college or university.
- While the application materials state that the deadline is April 1, the deadline varies according to when the individual applicant has begun the process. It is up to each applicant to monitor her progress and complete the application process within 30 days of starting it. Applications can be found at www.deltagamma.org/foundation/applications.

Crisis Grants

Delta Gamma Foundation Crisis Grants, established in 1996, help Delta Gamma members who find themselves in extreme financial need created by job loss, health crisis, natural disaster or other unexpected life circumstances. The process for receiving financial assistance is simple and confidential. The Foundation Board of Trustees Finance Committee and select Foundation staff members review all grant applications.

In order for the Delta Gamma Foundation to maintain its tax-exempt status under the Internal Revenue Code, grants are provided to assist members with basic necessities such as food, clothing, housing or extraordinary medical care not covered by insurance. Tuition assistance is provided through Sisters Helping Sisters: Need-Based Scholarships available from the Foundation. Per capita and collegiate/alumnae dues, obligations or social fees and university Panhellenic fees are not eligible expenses.

All applicants must complete the appropriate application and sign the certification statement. Additionally, applicants must be current with their collegiate or alumnae dues and in good standing with Delta Gamma Fraternity. Applications are accepted and evaluated on a continuous basis. Grant amounts are based upon funds available. If the Delta Gamma applicant is unable to complete this application, a family member, close friend, sponsor or guardian may assist in its completion.
Training and Programming

Delta Gamma creates cutting-edge programming to develop members’ social responsibility, maintain their health and well-being, enhance their leadership skills, and exemplify Article II of the Delta Gamma Constitution, which states: “As provided in the Articles of Incorporation, the objects of this Fraternity shall be to foster high ideals of friendship among women, to promote their educational and cultural interests, to create in them a true sense of social responsibility, and to develop in them the best qualities of character.” The Foundation provides annual grants to the Fraternity to provide funding for the development and implementation of the following training and programming initiatives, among others.

Training and Programming supports initiatives in the areas of:

- Social Responsibility
- Health & Well-Being
- Leadership Development

Delta Gamma Foundation Lectureships in Values and Ethics

The Delta Gamma Lectureships were established in 1992, when the late Dr. Paul Martin and Dotty Martin, Eta-Akron, contributed three $50,000 grants (The Dorothy Garrett Martin Challenge Grants) to the Foundation in recognition of their 50th wedding anniversary. Paul and Dotty's alma mater and the home of Delta Gamma's oldest active collegiate chapter, the University of Akron, was the site of the inaugural Lectureship. Today, there are 21 campuses with a Lectureship and a Convention Lectureship.

Much of the programming sponsored by the Foundation focuses on personal development. Lectureships in Values and Ethics speak to the very heart of Delta Gamma's purposes.

Established Lectureships are as follows:

- American University
- DePauw University
- Duke University
- Indiana University
- Louisiana State University
- Mississippi State University
- Purdue University
- Roanoke College
- Southern Methodist University
- Texas Christian University
- Texas A&M University
- University of Houston
- University of Michigan
- University of Akron
- University of Missouri
- University of North Dakota
- University of Oklahoma
- University of Southern California
- University of Texas
- University of Washington
- Wichita State University
- Convention Lectureship

At this time, new lectureships are not being established. Please see the Foundation Policies. Lectureship resources, including the current schedule, can be found in the website library.
Service for Sight

In 1936, Eta-Akron chapter member Ruth Billow made a plea to the Convention body to adopt sight preservation and aid to those who are living with blindness or other vision loss as Delta Gamma’s philanthropy. That shared philanthropic mission has become the cornerstone of our service and commitment to do good. Delta Gamma’s philanthropy, Service for Sight, provides access and advocacy for those living with blindness or who have low vision. Promoting Service for Sight both through service and fundraising is a key piece of the Delta Gamma Foundation’s mission. Service for Sight helps members live out our do good motto.

Service for Sight Grants

The Delta Gamma Foundation makes a significant impact for people living with blindness or who have low-vision by awarding grants to qualified organizations that are national in scope and share Delta Gamma’s Service for Sight philanthropic mission. Organizations interested in receiving financial support in the form of a grant can apply each year; a link to grant applications is available on the Delta Gamma website. Canadian organizations are eligible to receive Service for Sight grants. Grant recipients for each year are posted on the Delta Gamma website.

Chapters/groups can support local sight-related organizations by voting to direct a portion of their fundraising efforts or other gifts to a 501(c)(3) charity that shares our Service for Sight mission. Individual donors and groups can make gifts to the general Service for Sight fund.

Delta Gamma Schools for Children with Visual Impairments

The Foundation proudly supports the five Delta Gamma Schools for Children with Visual Impairments founded by Delta Gammas and supported by members through service and fundraising. We highlight our dedication to the Delta Gamma schools with Hope Child, a story-telling initiative. Schools are supported through Service for Sight grants, and many alumnae groups and collegiate chapters choose to direct a portion of their fundraising proceeds to a Delta Gamma school of their choice.

Hope Child

Hope Child invites both members and potential new members to learn more about the Delta Gamma Schools for Children with Visual Impairments through the faces and stories of their students. A Hope Child is another way to share the impact of the Foundation and to spotlight the personal stories of Service for Sight.
This initiative is an opportunity to inspire our members for increased fundraising and most importantly, a challenge to our members to do good for Delta Gamma schools. It is intended for chapters to use the provided presentation and photos as examples of individuals supported by Service for Sight. Please consult the Hope Child section of our webpage for more information and resources.

Delta Gamma Fellows
The American Foundation for the Blind yearly Service for Sight grant supports the Delta Gamma Fellows program to support students and advisers working in the field of blindness attend annual leadership and learning opportunities through AFB.

Do Good Hours
The do good motto has been a hallmark of membership in Delta Gamma since its founding. Members live out this motto in multiple ways, including by supporting Delta Gamma's philanthropy Service for Sight and the Delta Gamma Foundation. Adhering to our do good motto also shows our campus communities and prospective new members what being a Delta Gamma is all about and shares the impact of our Service for Sight philanthropy.

Service for Sight is our philanthropy and priority for both fundraising and volunteer service, but Delta Gamma recognizes all the ways in which collegiate members do good. All members are expected to complete volunteer service — to do as much good for our Service for Sight philanthropy and in your communities as your time, talents and treasure allow.

### Do Good:

**Service for Sight Hours**
include time spent supporting individuals living with blindness or vision loss, promoting sight conservation, or volunteering with organizations whose philanthropic mission it is to support or advocate for individuals living with blindness or vision loss.

**Non-Service for Sight Hours**
include time spent volunteering in support of any outside, community-based organization or cause to which the member feels connected.

### WHAT COUNTS AS DO GOOD HOURS
- Hands-on service
- Tabling to educate others about our Foundation and/or our philanthropy
- Advocacy for the blind and low-vision community
- Any other interactive volunteer service

Purchasing or donating items, attending another chapter's philanthropy event, or attending a fundraiser for a cause do not count as service hours.
RECOGNITION OPPORTUNITIES

- Individual chapter leadership and VP: Foundation can brainstorm ideas to reward members who go above and beyond their Do Good Hours each year.
- Delta Gamma will continue to recognize chapters for their devotion to Service for Sight volunteer service and fundraising through annual Foundation awards.
  - Regional Foundation Award for Collegiate Chapters, Excellence in Philanthropy: Service (based on Do Good: Service for Sight Hours)
- Delta Gamma will recognize chapters for their Do Good Hours through biennial Foundation awards.
  - H.K. Stuart Spirit of Service Award is presented every Convention year and recognizes chapters that evidence the spirit of dedication and commitment to serving others and the personification of the Delta Gamma motto, do good, in every aspect.

- Help members track service hours.
- Maintain a record of both Do Good: Service for Sight Hours and Do Good: Non-Service for Sight Hours and complete the Log Do Good Hours task in Anchorbase.

Review the Collegiate Chapter Officers Manual (CCOM) for a complete list of service hours responsibilities.

TRACKING AND LOGGING DO GOOD HOURS

Whenever Delta Gammas participate in a volunteer service opportunity, they can submit their participation by filling out a one minute survey of their experiences from a smartphone, tablet or other device via Google Form. Tracking Do Good Hours helps us celebrate
and recognize our members and chapters for all of the ways in which they do good for our Service for Sight philanthropy and other worthy causes.

- vp: Foundation/director of service hours will enter Do Good: Service for Sight Hours and Do Good: Non-Service for Sight Hours using a tracker (Google form or other tracking document) into the Log Do Good Hours task in Anchorbase five times throughout the year: October 15, December 15, February 15, April 15 and the last day of classes.
- If a member participates in a group service event, that member is responsible for submitting their own Do Good Hours using the Do Good Hours Google Tracking Form or other tracking process.
- To be eligible for Foundation service awards, an upload of current progress will need to be submitted in Anchorbase by April 15 every year.
- Do Good Hours completed over summer will be applied to the upcoming academic year.
- Work as a collegiate officer may not be counted as service hours.

**How to Track Do Good Hours**

The vp: Foundation can perform the following steps once each school year to set their chapter up for success in recording Do Good Hours throughout the year.

1. Your Regional Foundation Coordinator (RFNC) will notify you via email that you have access to the Do Good Hours Tracking Google Form. You may request access from your coordinator if you have not received an email.

2. Once you open the form, make a copy by selecting the option “Make a copy” from the forms editor options menu. You’ll find this option by clicking on the row of three vertical dots to the right of the “send” button in the upper right hand corner of the page. Do not reuse and rename a previous year’s tracking form.

3. When copying, you’ll have the opportunity to rename the form. Highlight “Copy of My Chapter” and type in the name of your chapter, but keep the “Do Good Hours 2023-2024.”
4. Click “okay” after changing the name of the form.

5. In order to share the form’s location with members of your group or chapter, you’ll need to share the URL of the form you just copied and renamed.

6. Copy the form link by first clicking on the “Send” button in the upper right corner. From the “Send Form” pop-up window, select the link icon (the paperclip looking icon in the middle) and click on the “Shorten URL” box.

![Image of Send Form window]

7. Save the link on your phone and/or computer somewhere that will be easy for you to find when members ask you for the link. You can share the link via text, email, or social media. You can also use the envelope icon to send yourself a link to the page via email.

**How to Upload Service Hours into Anchorbase**

1. Download your form responses into a .csv file by selecting this option from your form “Responses” tab. This will be a running list that is merely updated and uploaded each deadline. Do NOT use a separate tracker for each term.

![Image of downloading form responses]

2. Log in to Anchorbase (Foundation > Tasks > Log Service/Awareness Hours). Click "Continue" on the next screen.

*Do Good Hours are reported five times throughout the year: October 15, December 15, February 15, April 15 and the last day of classes. This includes all Do Good: Service for Sight or Do Good: Non-Service for Sight group and individual hours rolled into one report.*
3. Select the current year's task below and click "Continue."

4. Section 1: describe the type of Do Good: Service for Sight activities your group completed.

5. Section 2: enter the total number of Do Good: Service for Sight Hours your group completed.

   Hours are cumulative, so you will enter your year to date hours in October, December, February, and April and then enter the full year on the last day of classes. Reporting the hours throughout the year is a check-in to show progress, but the last entry will total the entire year.

   Note: You will be able to fill this report in throughout the year to capture portions of data if you like to work that way. Just click on the orange “save” button on the right side of your screen to keep your work in progress.

6. Section 3: enter the number of members with 8 or more Do Good: Service for Sight Hours.

7. Section 4: enter the total number of Do Good: Non-Service for Sight Hours your group completed.

8. Section 5: upload your tracking spreadsheet. This must be an .xlsx or .csv file only, as the data may not be extracted from a PDF.

9. Once the form is completed, click “Continue.”
10. Next is the validation step. The form will only be submitted when you proceed to the validation step and submit. Scroll all the way to the bottom of the form. Type your name and the date to electronically sign after verifying the information is correct. Click “Continue” to proceed to the receipt page to make sure that the form was submitted correctly.

11. Once you have started a form, you can return to that form by clicking the box in front of the form. This will allow you to save your work as you go.

  - Download Prevent Blindness fact sheets to create an informative display for tabling.
  - Invite a guide dog organization to bring puppies to campus to make others aware of the process of training and placing a guide dog.

*We do ask that all of our members be especially careful about the locations used for personal meetings and individual service opportunities. It is not recommended that the reading take place in chapter houses, suites or lodges. Location suggestions include: public places, student centers, restaurants and libraries. Volunteering at a person’s home should only occur after a relationship has been well-established. In this case especially, members should always use the buddy system and never go alone.
REFLECTION AND RECOGNITION

As members engage in doing good for their communities, we are given the opportunity to remember the values we hold true as Delta Gammas. We encourage all members to take time to reflect after engaging in Do Good Hours and consider what you learned from those you served and how the opportunity contributed to your personal growth.

Each year, in recognition of service to Delta Gamma Foundation’s Service for Sight philanthropy, the top ten chapters/groups, both collegiate and alumnae, are selected based on service hours completed. These dedicated chapters/groups are recognized in various ways at Convention and on the Delta Gamma website.

Collegiate Chapters and Alumnae Groups

Since our founding in 1873, Delta Gammas have had a strong desire to help others, as evidenced by our motto, do good. Today, the Delta Gamma Foundation creates meaningful experiences and impacts the lives of our members because of the financial generosity of donors. Individuals, collegiate chapters and alumnae groups make gifts to the Foundation which in turn are used to fund our three areas of support: Individual Member Support, Training and Programming and Service for Sight. Collegiate chapter and alumnae group fundraising events are a vital pillar upon which the Foundation fulfills its mission.

Every collegiate chapter and alumnae group is encouraged to support the Foundation through fundraising events. See below for fundraising event ideas.

Foundation Fundraising

TAX-DEDUCTIBLE FUNDRAISING

The Delta Gamma Fraternity and its chapters are formed under section 501(c)(7) of the tax code and as such, gifts to the Fraternity are not tax deductible. However, the Delta Gamma Foundation is formed under section 501(c)(3) of the tax code which allows donors to take a tax deduction for gifts to the Foundation, when allowed by law.

Donations, or a portion of donations, made to Collegiate and Alumnae fundraisers may be tax-deductible to donors if:

- All fundraising revenue is processed by the Delta Gamma Foundation for charitable purposes. Chapters cannot retain a portion of the proceeds for their own purposes. In order for the Foundation to maintain its tax-exempt status, it is essential this basic guideline be followed.
- Clearly state in all marketing and communications promoting the fundraiser who the proceeds are benefiting.
  - When promoting a fundraiser, you can say:
    - “Proceeds will fund the programs and services of the Delta Gamma Foundation”
    - “Proceeds will fund the programs and services of the Delta Gamma Foundation and the ABC local organization” (If directing a portion of your gift to a local 501(c)(3) that shares our Service for Sight mission).
  - You cannot say:
    - “Proceeds will support Alpha Beta chapter of Delta Gamma”
    - “Proceeds will support the Delta Gamma Fraternity”

- Donors must make checks payable to the Delta Gamma Foundation or donate online via memberplanet. The Foundation will send receipts directly to the donor gifts of $250 or above.

When fundraising, keep in mind:

- A donor must give something away in order for a gift to be tax deductible. For example, a cash donation, a purchased ticket to a dinner where the admission price exceeds the cost of the meal, goods or services to be sold or auctioned.
• The Foundation will reimburse your group for expenses with receipts up to the total amount of fundraising dollars raised.
  • Please note: the Foundation does not provide reimbursements for merchandise (e.g. apparel).
  • Record each expense on the Fundraising Finance Report Form and in Greekbill. Submit the form in Anchorbase. Mail copies of your receipts along with a printed copy of your FFRF and any checks made payable to the Delta Gamma Foundation to 3250 Riverside Drive, Columbus, OH 43221
  • Make photocopies or take photos of all receipts for your records before mailing to the Foundation.
• The vp: finance will complete the Fundraising Finance Report Form (FFRF) in Anchorbase.
  • If there are no checks to be mailed to the Foundation, please email a photocopy of the receipts for reimbursement with your completed FFRF to FoundationFinance@deltagamma.org.
  • Collegians – vp: finance completes FFRF together with the vp: Foundation via Anchorbase within two weeks after the event and will send a printed copy to Delta Gamma Foundation. If there are no checks to be mailed in, email a PDF of completed FFRF to FoundationFinance@deltagamma.org.
  • Alumnae - vp: finance and/or vp: Foundation (or president if there is no vp: finance) completes FFRF via Anchorbase within two weeks after the event and will send a printed copy of FFRF to the Delta Gamma Foundation together with any checks. If there are no checks to be mailed in, email a PDF of completed FFRF to FoundationFinance@deltagamma.org.
Examples of Foundation fundraisers include:
  • Anchor Games (Anchor Splash®, Anchor Slam, Anchor Bowl, Anchor Dash, etc.),
  • Tables That Bloom
  • Parents’ Day auctions
  • Raffles, silent auctions of donated items, etc.
  • And many more where the proceeds are directed to the Delta Gamma Foundation.

Advertising tax-deductible fundraisers:
• You can say:
  • “Proceeds will fund the areas of support of the Delta Gamma Foundation”
  • “Proceeds will fund the areas of support of the Delta Gamma Foundation and the ABC local organization” (If directing a portion of your gift to a local 501(c)(3) that shares our Service for Sight mission)
• You cannot say:
  • “Proceeds will support Alpha Beta chapter of Delta Gamma”
  • “Proceeds will support the Delta Gamma Fraternity”

**NON TAX-DEDUCTIBLE DONATIONS**
Replace with “In general, if a donor receives a good or service in exchange for a donation the donation is not tax deductible.” Examples where donations may not be tax deductible
include:
- desserts sold at events like Desserts with DG
- pizza sold at events like Slices for Sight or Pizza with Puppies
- sales of any items such as merchandise or apparel
- car washes

Net proceeds sent to the Foundation will still count toward the chapter’s giving total, and chapters can still direct a portion of the proceeds to qualified 501(c)(3) organizations that share our Service for Sight mission. Donors, however, will not receive a tax deduction for their donations. Chapters should not make statements suggesting or stating donations are tax deductible.

For questions about whether donations to a fundraiser are tax deductible or not, contact the Foundation professional staff at Executive Offices.

TYPES OF GIFTS
- **One-time gifts**: make a gift online at donate.deltagamma.org, by mail or by phone.
- **Tribute gifts**: Make donations to any Foundation fund in honor or memory of someone special, as well as to sponsor a scholarship or fellowship. The Foundation will notify the honoree or the family of those memorialized.
- **Scholarships and fellowships**: Many collegiate chapters and alumnae groups choose to endow a scholarship or fellowship or fund a one-time scholarship or fellowship. Please consult the resources in the Delta Gamma website library for more information on how to endow a scholarship or fellowship.
- **Directing your gift to local organizations**: See the infographic on the following page to learn how collegiate chapters and alumnae groups can direct a portion of their Delta Gamma Foundation gift to a 501(c)(3) organization that shares our Service for Sight mission.

DIRECTING COLLEGIATE CHAPTER OR ALUMNAE GROUP GIFTS
Collegiate chapters and alumnae groups can direct their gifts to a specific Delta Gamma Foundation fund or purpose. However, gifts to the Loyalty Fund, funding areas of greatest need and our three areas of support, allow the Foundation to address the emerging or immediate needs of Delta Gamma’s membership and constituents.

The Foundation offers collegiate chapters and alumnae groups credit for their gifts to the Delta Gamma Foundation while also directing gifts to organizations that share our Service for Sight mission.

- Collegiate chapters may donate up to 50% and alumnae groups may donate up to 90% of their net Foundation fundraiser proceeds.
- Fundraising event advertising should state: “proceeds will fund the Delta Gamma Foundation’s areas of support and the ABC charity” (organization must share our Service for Sight mission).
- Chapters may direct a portion of their gift whether their fundraisers are tax deductible or not. For more information, view the infographic on the following page.
It starts with our members.
A collegiate chapter or alumnae group decides to hold a fundraiser to support the Foundation and a 501(c)(3) not-for-profit organization that shares our Service for Sight mission. Collegiate chapters may direct up to 50% and alumnae groups may direct up to 90% of their net funds. Fundraising event advertising should state: "proceeds will support both the programs of the Delta Gamma Foundation and the ABC charity."

Gift checks are issued. Checks to qualified organizations that share our Service for Sight mission are issued by the Delta Gamma Foundation along with a letter identifying the collegiate chapter or alumnae group as the sponsor of the gift through the Foundation.

Proceeds sent to the Foundation. After holding a successful fundraiser, all proceeds (after expenses) are sent to the Delta Gamma Foundation along with the Fundraising Finance Report Form. If directing a portion of your gift to a 501(c)(3) organization that shares our Service for Sight mission, the report form must include the qualified organization’s name and percentage or amount of the gift to be granted to the organization.

A fundraising event occurs. Chapters are required to use memberplanet as an online fundraising vendor. Memberplanet will directly send donated proceeds to the Delta Gamma Foundation. Chapters receive giving credit for 100% of their net fundraising! Giving credit is used to recognize chapters for regional awards and Convention awards.

Gifts go back to our members. The portion that remains with the Foundation contributes to our key areas of support: Individual Member Support, Training and Programming, and Service for Sight. Many of these programs directly benefit our membership, allowing the hard work put into a fundraiser to come full circle. These programs include scholarships and fellowships and training and programming.

Directing Chapter Gifts
USING MEMBERPLANET FOR ONLINE FUNDRAISING
Memberplanet is the only approved online donation site for Delta Gamma-related fundraising. Templates exist for both collegians and alumnae to share with family and friends.

Visit the Memberplanet Donation Site Instructions in the appendix for step-by-step instructions and screenshots on setting up your donation site.

Venmo is available as a payment option in memberplanet for any fundraiser attached to the Foundation if set up correctly and with the following caveats:

• The Foundation does not have a Venmo account. Venmo is only available through a memberplanet donation site or payment form as a payment option. **No personal, chapter or business Venmo accounts may be used to collect Foundation fundraising monies.**

• The fundraiser must be attached to the Foundation. If the fundraiser is not attached to the Foundation, then the chapter will need to create a new fundraiser that is attached to the Foundation’s bank account.

• **For Donation Sites:** If setting up a donation site for your fundraiser you do not need to contact anyone for assistance to set up Venmo. That is done when creating your site. Select the Delta Gamma Foundation option when asked who are you raising funds for on memberplanet.

• **For Payment Forms:** You will need to contact the Foundation finance team (foundationfinance@deltagamma.org) to initially set up the form. They will create a blank form attached to the Foundation bank account that you can edit. Venmo will be attached to that payment form.

Merchandise Reimbursement
The Delta Gamma Foundation will not reimburse chapters for expenses such as, but not limited to, T-shirts and hats. Chapters are permitted to sell merchandise for fundraising events however, the costs will not be eligible for reimbursement by the Foundation.

It is recommended that chapters no longer purchase merchandise upfront for their fundraising events. Instead, the Foundation strongly recommends that chapters use vendors which allow customers to purchase merchandise directly from them and the chapters receive a portion of the sales. Please check with the approved vendors on this list to see if they offer pre-sale on merchandise. If you need additional information, please email FoundationFinance@deltagamma.org.

The History of Anchor Splash®

Anchor Splash is a Signature Foundation Fundraiser of Delta Gamma collegians where fraternities, sororities and non-Greek organizations compete in swimming events. It is one of the most recognized philanthropic fundraisers in the fraternity/sorority community today.

Begun in 1966 at Beta Tau-Miami as a way to celebrate its 25th anniversary, Anchor Splash has spread to chapters across North America. Many Delta Gamma chapters annually hold an Anchor Splash competition which includes events from synchronized swimming to relays. Campuses and local communities support these competitions annually, and on many campuses it is one of the most popular events of the school year.

Many Anchor Splash events also include a banner contest, skit competition, or other creative and friendly events that follow our Foundation Policies. Some chapters distribute sight-saving materials and hold eye screenings as well.

Along with Anchor Splash, Delta Gamma collegians hold other Anchor Games events, including Anchor Slam (basketball/volleyball), Anchor Dash (runs) and Anchor Bowl (bowling/football).

Funds from these events contribute to the Delta Gamma Foundation's three areas of support: Individual Member Support, Training and Programming, and Service for Sight. By donating the proceeds of an Anchor Splash/Games event to the Delta Gamma Foundation, you are furthering Delta Gamma's ability to do good.
Signature and Non-Signature Fundraising Events

Collegians are expected to hold a minimum of one Signature Foundation Fundraiser and one Non-Signature Foundation Fundraiser per academic year.

**SIGNATURE FOUNDATION FUNDRAISERS**
Signature Foundation Fundraisers are large-scale and easily identifiable fundraisers that require the full chapter membership when planning, participating and executing the fundraising event. These are normally tax-deductible fundraisers.

Examples:
- Anchor Splash
- Anchor Games
- Anchor Bowl
- Anchor Slam
- Anchor Dash (5K Run/Walk)
- Anchor Tee (Golf)
- “Champion of the Anchor” for Anchor Splash/Games
- Cornhole tournament

**NON-SIGNATURE FOUNDATION FUNDRAISERS**
Non-Signature Foundation Fundraisers are small-scale fundraisers that are planned by the Foundation team and/or a small committee but require full chapter membership support. These are normally non-tax-deductible fundraisers.

Examples:
- Corn for a Cause
- Delta Gamburger
- Deserts or Donuts with DGs
- Eye Scream for Ice Cream
- Milk and Cookies
- Paws for a Cause
- Penny Drop/Penny Wars
- Puppies and Pizza/Pizza for Paws
- Restaurant percentage nights
- Slices for Sight

**LEAD-IN FUNDRAISING EVENTS**
Some chapters choose to hold lead-in fundraising events the week leading up to their Signature Foundation fundraiser. Some of the more popular lead-in events are Penny Drop/Penny Wars, restaurant percentage nights, food sales and other creative small fundraising events that require little planning and build up to the Signature Foundation fundraiser.

*Note: If your chapter’s Signature or Non-Signature Foundation Fundraiser has to be canceled due to unforeseen circumstances, try to replace it with a virtual fundraiser. Please reach out to your RFNC for ideas about how to pivot to a virtual fundraiser.*
MULTI-PURPOSE PROGRAMMING

Consider incorporating Do Good: Service for Sight Hours activities as part of your Anchor Splash/Games week. Educating your campus community by tabling and adding a service component for the Anchor Splash/Games participants can boost your fundraiser and help add awareness to our philanthropy by teaching others about Service for Sight and the mission of our Foundation.

Hosting a speaker from the organization to which you are directing a portion of your fundraising proceeds can help inform others about the impact of your fundraiser. Additionally, invite competition from your participants with a do good opportunity.

Multi-Purpose Programming Ideas:
- Show the Delta Gamma philanthropy video (available on Vimeo).
- Download various eye information resources and fact sheets from the National Eye Institute to create an informative display.
- Sponsor a vision screening during Anchor Splash/Games week.
- Invite a speaker from the local school for the blind or from an organization where members volunteer to educate others about blindness.
- Invite a guide dog organization to bring puppies to campus to make others aware of the process of training and placing a guide dog.
- Collect specific items to donate to the local school for the blind, a senior residential community or for care packages for the military.
- Set up a booth for collecting eyeglasses that can be donated to the local Lions Club or another group that recycles eyeglasses.
- Challenge participants to submit receipts with eligible products that can be scanned with the digital Box Tops app to provide cash for one of the participating Delta Gamma schools or your local school for the blind. *(Box Tops collection does not count toward Do Good Hours.)*
- Implement your own creative idea to involve participants in a service project to benefit a local organization or school that supports the blind community.

Additional service and fundraising ideas can be found in the monthly vp: Foundation newsletters. You may also contact collservice@deltagamma.org for additional service ideas and information.
RISK MANAGEMENT AND YOUR ANCHOR GAMES

Delta Gamma’s Alcohol Policy

The objects of the Delta Gamma Fraternity shall be to foster high ideals of friendship among women, to promote their educational and cultural interests, to create in them a true sense of social responsibility and to develop in them the best qualities of character. (Delta Gamma Fraternity Constitution, Article II)

Delta Gamma policy states that no alcoholic beverages may be served or stored on Delta Gamma property. Pre- and post-event activities (sponsored or co-sponsored by Delta Gamma) wherein alcoholic beverages are available may take place no less than 24 hours before a fundraising event or 24 hours after the event.

Delta Gamma’s Relationship to Host Institution

Delta Gamma Fraternity has enjoyed mutually satisfying relationships with institutions for many years. Because membership to Delta Gamma Fraternity begins at the collegiate student level, the Fraternity has sought to instill goals and foster programs that are in concert with the mission and purposes of the host institution.

These relationships have thrived because of Delta Gamma Fraternity’s objects as stated in the Delta Gamma Fraternity Constitution Article II.

Fundraising Precautions

The following precautions shall be taken for all Delta Gamma Foundation fundraising events that involve the athletic performance and/or require maximum mental alertness and physical condition of participants. Examples of such Foundation fundraising events include swimming events, basketball, football, golf and tennis tournaments, bike racing, runs or walkathons, track and field events, road block intersection collections and any other fundraising activity wherein participants' well-being is endangered or athletic competition is a factor.

• A Foundation Pre-Planning Event Form must be completed/submitted via Anchorbase to the Regional Foundation Coordinator for event approval 4 weeks prior to the event date.
• An Event Guideline must be completed for each event and approved by the advisory team chairman 4 weeks prior to the event date.
• Collegiate chapters must have at least one security guard on duty at fundraising events.
• Alcoholic beverages are forbidden. See Foundation Policies.
• Any participant or spectator who consumes alcohol during the event or arrives at the event under the influence of alcohol will be disqualified and not allowed to participate in or observe the event.
• A fully equipped first-aid station with qualified attendants shall be maintained throughout the event.
• A non-Delta Gamma certified lifeguard shall be in attendance throughout all poolside or water-related events.
• There shall be no diving competition or exhibition.
• The use of dunk tanks at a Foundation fundraising event is prohibited.
• All participants (competitors, judges, coaches, timers, etc), including Delta Gamma members, whether participating in the actual event or working the event shall sign the official Fraternity medical waiver and release of liability form prior to the event. Minors who are unable to obtain the signatures of parents or legal guardians may not participate.
• Prior to the event, the chapter will contact local law enforcement and rescue organizations to advise them of the time and location of the event.
• Any event that does not maintain the respect and dignity of members and participants is prohibited.

**EVENT GUIDELINE FORM**

Executive Offices would like for all of our collegiate chapters to be able to have fun, safe and memorable social events. As is the process for those events where alcohol is present, a Delta Gamma Event Guideline form is also necessary for many events without alcohol (i.e. Anchor Splash, Anchor Games, social events without alcohol). Please be aware that the Delta Gamma Event Guideline serves many purposes; most importantly it is a way to ensure that you, as an officer of Delta Gamma, are working to manage your risks and liability, so that you can have safe events.

When your chapter holds Signature and Non-Signature Foundation Fundraisers, the following items need to be completed. This will produce the required forms and review process necessary in order to hold a Foundation-approved fundraising event.

The Delta Gamma Event Guideline Form for Events without Alcohol is populated as a task 6 weeks prior to the event in Anchorbase > Social Standards > Task > Event Guideline Form for Events without Alcohol. It needs to be completed and submitted for ATC approval no later than 4 weeks prior to the event via Anchorbase.

If you are holding a virtual/online only or percentage of sales (i.e. percentage of food sales at restaurant) fundraiser, Anchorbase will not populate or require the completion of an Event Guideline Form for Events without Alcohol form.

Please be sure to consult the tax-deductible fundraising portion of the Foundation Focus to ensure that your Anchor Splash/Anchor Games follows the guidelines.
ANCHORBASE SUBMISSION PROCESS

1. Put the Signature and Non-Signature Foundation Fundraisers (including any lead-in events) on the chapter calendar in Anchorbase within at least a 6-week window for planning. Note: Choose a date where there are no events, either sponsored or co-sponsored by Delta Gamma, where alcoholic beverages are available 24 hours prior to or after the fundraising event date. (See Foundation Policies)

2. 6 weeks prior to your Signature or Non-Signature Fundraising Event, the Pre-Planning Fundraising Event Form will populate as a task on the Anchorbase Dashboard. Complete the task under Foundation > Task > Pre-Planning Fundraising Form.

3. Your Regional Foundation Coordinator (RFNC) will need to review the Pre-Planning Fundraising Event Form and may ask you to make revisions before giving final approval. Please revise and resubmit via Anchorbase until your RFNC has given final approval.

Note: You will receive a notification if your RFNC sends the form back for revisions.

4. 6 weeks prior to your Signature or Non-Signature Foundation Fundraising Event, a task will populate on the Anchorbase Dashboard for you to complete and submit the Event Guideline Form for Events Without Alcohol. This form, found under Social Standards > Task > Event Guideline Form for Events, will need to be reviewed and approved by your ATC no later than 4 weeks prior to the event.

Note: If you are holding a virtual/online-only or percentage of sales (i.e. percentage of food sales at restaurant) fundraiser, Anchorbase will not populate or require the completion of an Event Guideline Form for Events without Alcohol form.

5. Within two weeks after your Signature or Non-Signature Fundraising Event, the vp: finance will need to complete and submit the Fundraising Finance Report Form (FFRF) with the vp: Foundation’s assistance. The FFRF will populate as a task on the Anchorbase Dashboard on the day of the fundraising event. The FFRF, found in Anchorbase under Chapter Management Team > Finance > Task > Fundraising Finance Report Form, is to be completed and submitted via Anchorbase AND the vp: finance will need to print a hard copy and send in with any checks made payable to Delta Gamma Foundation and receipts for reimbursement of expenses to: Delta Gamma Foundation, 3250 Riverside Dr, Columbus, OH 43221. If there are no checks to be mailed in, email a PDF of the completed FFRF and receipts for reimbursement of expenses to: FoundationFinance@deltagamma.org.

Reminder: Please do NOT wait for all donations before sending the FFRF with any proceeds at the time of submission. If donations are received after the submission date, you can send them to Delta Gamma Foundation with a note that states your Chapter Name, Name of Event, Date of Event and ask that funds are attached to the fundraiser so that your chapter receives full credit for all proceeds raised for the Foundation. Any checks written out to the Delta Gamma Foundation should be mailed to the Foundation in a timely manner. DO NOT hold onto checks for an extended period of time. Any check that is dated 90 days or over from when it is received by the Foundation will not be cashed, and therefore, will not be included in your chapter’s fundraising total.

**Greekbill Account Codes for Fundraising**

**FOR VP: FINANCE AND VP: FOUNDATION**

### 332

**Account #332 - Anchor Splash/Games**
To the Foundation (revolving)

All income and expenses related to all Foundation fundraising events, including Anchor Games activities, need to be coded to account 332-Anchor Splash/Games.

Monies raised through Foundation fundraising events are deposited to and donated from revolving account #332-Anchor Splash/Games. Checks payable to the Delta Gamma Foundation from participating donors should be mailed directly to the Foundation and not deposited into the chapter’s bank account. Checks older than 90 days are not accepted by the Foundation.

Both income and expenses are entered into the same account. **Account balance must be $0.00 by June 30** of each fiscal year and should be $0.00 after each fundraising event has concluded.

*Note: Income collected through memberplanet for tax-deductible fundraisers should go directly to the Foundation and should not be reflected in account #332 on Greekbill.*

### 330

**Account #330 - Chapter Fundraising**
For the chapter (income)

This account is used seldomly. If you need to use this account, please contact collegiate finance at Executive Offices, your RFS or CFA.

This account includes income from **non-tax-deductible** fundraisers for the chapter to purchase something for the chapter.

Special rules apply to 501(c)(7) organizations, like Delta Gamma chapters. In general, the special rules are designed to impose a tax on income from non-member sources. Exact and detailed records must be kept if using this account.

### 745

**Account #745-Fund Raising**
For the chapter (expense)

All expenses incurred for chapter fundraising events for non-tax-deductible fundraisers and Do Good Hours group service events. These are **non-reimbursable expenses**. If the chapter conducts fundraising projects that are NOT tax deductible, and are for use by the chapter, those expenses would be coded to this budget. This budgeted expense account is covered by chapter dues.

### 741

**Account #741 - Contributions**
To community & fraternities/sororities (expense)

Marketing your Foundation Fundraisers

Your philanthropic fundraising proceeds should be directed to the Delta Gamma Foundation. Up to 50% may be designated to benefit local 501(c)(3) organizations that share our Service for Sight mission. Please see the directing your gift section of the Foundation Focus or contact your Regional Foundation Coordinator (RFNC) if you have questions.

**FUNDRAISING LANGUAGE**

**How can we advertise our fundraiser?**

You **can** say:

- “Proceeds will fund the programs and services of the Delta Gamma Foundation.”
- “Proceeds will fund the programs and services of the Delta Gamma Foundation and the ABC local organization.” *(If directing a portion of your gift to a local 501(c)(3) that shares our Service for Sight mission.)*

You **cannot** say:

- “Proceeds will support Alpha Beta chapter of Delta Gamma.”
- “Proceeds will support the Delta Gamma Fraternity.”

HOW TO DIRECT YOUR GIFT TO THE FOUNDATION

Many of our collegiate chapters direct 100% of their fundraising proceeds to the Delta Gamma Foundation. Through those donations, the Foundation funds its three areas of support, including Individual Member Support, Service for Sight, and Training and Programming.

By submitting your fundraising proceeds to the Foundation, you are offered a way to direct up to 50% of your proceeds to a local 501(c)(3) not-for-profit philanthropic organization that shares Delta Gamma’s mission of sight preservation and assistance to those who are living with blindness or low vision. However, we encourage our chapters to consider designating more than 50% to the Delta Gamma Foundation’s Loyalty Fund which truly supports all Foundation areas of support for our collegians and alumnae.

Chapter membership must vote on which Foundation area of support they will choose to fund with their fundraising proceeds. **This vote should occur BEFORE the fundraiser marketing starts, so that the chapter can accurately market the event.**

**What are the advantages of sending fundraising proceeds to the Foundation for processing?**
The chapter receives credit for 100 percent of its net fundraising! Giving credit is used to recognize chapters for chapter awards, Convention awards and provide year-round recognition. The Foundation will be able to recognize and report on national and local philanthropies supported by more than 300 collegiate chapters and alumnae groups of Delta Gamma. Soliciting tax-deductible gifts may increase the chapter's fundraising, and any donors who make a gift of $250 or more to the Foundation will receive recognition for their gift directly from the Foundation.

**How does directing your gift to a local 501(c)(3) work?**
Chapters should complete the Fundraising Finance Report Form found in Anchorbase and submit it to the Foundation along with their fundraising proceeds. Chapters may direct a portion of their net fundraising to qualified 501(c)(3) organizations that fulfill our philanthropic mission of Service for Sight. Gift checks are issued to qualified organizations by the Delta Gamma Foundation. A letter is included with the check identifying the chapter as the sponsor of the gift. The chapter receives credit with the Foundation as well as the charity.

**What kinds of organizations can our chapter designate to receive a portion of our fundraising?**
Either local or national 501(c)(3) non-profit organizations who share our mission of Service for Sight. The Foundation will only make gifts to these types of organizations.

For more information about directing a portion of your fundraising proceeds to an organization that shares our Service for Sight mission, please reach out to your RFNC for your region.

GAINING SUPPORT FROM SPONSORS AND DONORS

Compile a list of local businesses that may donate money (include campus businesses, corporations in your town, eye doctors, the Lions Club, alumnae, parents, etc.). Update this list every year!

- Record information about each one on the official sponsor list (see sample letters in the next section of this resource).
- Send a personalized letter or email to each business (see sample letters in the next section of this resource).
- Write a personalized thank-you note immediately after receiving any donations.
- Determine the criteria for listing the sponsors’ names in the program and/or T-shirt.
- Donations are only tax deductible if the check is made out to the “Delta Gamma Foundation” and if the check is made out to the Delta Gamma Foundation. Checks payable to Delta Gamma Fraternity or the chapter are not tax deductible to the donor/sponsor.
- “Sell” advertising space in the Anchor Splash program (size of ad varies with the amount donated).
- List major sponsors’ names on the back of the Anchor Splash T-shirts.
- Keep accurate, up-to-date files and sponsor lists.
- Contact with businesses must be professional; be credible!
- Discount coupons for alcoholic beverages may not be included in the program. Neither should ads for “ladies night,” “bar or pub crawl” or “happy hour.”
- Communicate with family, alumnae, service groups, etc., as you would potential business sponsors (see sample letters in the next section of this resource).
- Share your memberplanet campaign page with family, alumnae, friends, etc.
- Solicit help from campus administrators, faculty and public officials; invite them to attend Anchor Splash.
- List donors’ names, as appropriate, in the program and on social media.

NOTE: A Delta Gamma Fraternity or Foundation function cannot be sponsored by distributors of alcohol or tobacco. For example: bars or smoke shops (see Foundation Policies).

On the following page are two sample letters/emails that can be adjusted and used to send to potential sponsors or donors as well as family and alumnae. Be sure to personalize the letter to meet the specifics of your event and why they should support the Delta Gamma Foundation and/or local 501(c)(3) that shares our Service for Sight mission. Be creative and have fun!

**Champion of the Anchor**

A special event to be held in conjunction with Anchor Splash or Anchor Games, this individual participant competition honors individuals based on character, personality, knowledge and support of Delta Gamma and Service for Sight. The competition should be open to all genders and no participant should be asked to compete in any activity that is strictly based on physical strength or beauty. It is critical that it be held with the most respect for human dignity, Delta Gamma values and abides by all Foundation Policies. If you do not abide by all of the above, your chapter runs the risk of having this event eliminated in the future.

Please ensure that your chapter is executing a Champion of the Anchor contest that creates a friendly, tasteful, respectful and inclusive event that will reflect positively on the contestant, the Fraternity, the Foundation and your institution.

How to Have a Profitable Foundation Fundraiser

The vp: Foundation and/or director of Anchor Splash and CMT should hold a meeting to map out projected income and expenses, then work with the vp: finance to make sure it is reflected in the chapter’s budget.

- Make a simple list of all the necessary expenses. Expenses should be less than 30% of anticipated income.
- Set the prices for entry fees, admission, programs and project contributions to be received.
- Compare your projected income to your projected expenses (see Sample Budget). Make any necessary adjustments in order to make the profit your chapter expects.
- Work with the vp: finance on a regular basis to make sure things are on track.
- Consult the Foundation Fundraising Flowchart for Collegians.

STAYING ON BUDGET AND KEEPING TRACK OF EXPENSES

- Keep track of expenses per event by listing them on your Anchor Splash budget (see Sample Budget). Be sure all members assisting with the event keep track of receipts and indicate them in the budget.
- Every Signature and Non-Signature event should have its own budget. Lead in event expenses should be included in the budget for the Signature fundraiser.
- Record the exact amount of expenses on the budget. This is what the vp: finance will use for reimbursement and to fill out the Fundraising Finance Report Form (FFRF).
- Remember, all expenses must be within the budgeted amount.
- Tell the vp: finance to code all income and expenses to the fundraising account #332.
- Total all expenses per event after Anchor Splash/Anchor Games/Fundraising Event. Transfer the total to the Anchor Splash financial summary sheet.

Use this Sample Budget to keep track of your expenses and income.

To edit and use this form:
1. Sign in to your Google account.
2. View the Sample Budget here.

4. Rename and save the document.
FUNDRAISING EVENT TIPS

- Sell tickets ahead of time to members on campus.
- Pre-sell T-shirts before ordering to prevent excess inventory which decreases the net proceeds from your fundraiser. Please note: The Foundation will not reimburse chapters for merchandise or apparel purchases.
- Utilize QR redemption codes in memberplanet to pre-sell admission tickets, food sales, and any other pre-sale items. QR codes allow you to collect money for items or tickets BEFORE the event which allows for control of expenses and exchanging of cash.
- Have Service for Sight educational materials printed for tabling and other promotion.
- Work closely with your vp: finance and Regional Foundation Coordinator (RFNC).
- Assign members to crews and utilize these committees to distribute your workload responsibility (use your sisters for support!).
- Make arrangements prior to the event for tables, chairs, tents, etc.
- Set goals and work together as a CMT and JCMT to achieve them.
- Articulate to your chapter what exactly needs to be done and how they can help; use and follow an agenda for the event.
- Work with your Panhellenic community to get others involved.
- Look to other chapters for ideas. Utilize the Delta Gamma Fundraising for Chapters Facebook group to communicate with other collegians across the United States and Canada.
- Share event info in your chapter newsletter to alumnae.
- Personally thank each donor/sponsor with a call and thank-you note.

Anchor Splash Income

- Get a receipt book and use for all cash donations, entry fees, etc. Keep copies for the files.
- Set up file folders with large envelopes to keep forms, checks and supplies in. Label them: cash receipts forms, checks to be logged and completed forms.
- Gather cash/checks as they are received. Deposit cash in chapter checking accounts and remember that any checks made out to the chapter are not tax deductible. For all checks made out to Delta Gamma Foundation, please send them to the Foundation.
- Using a cash receipts spreadsheet (see following page), fill in your name, title, committee, date and the sequential number of cash receipts forms that you are on.
  - List each receipt individually.
  - If a receipt is for more than one category, break it out accordingly across the line.
  - Make a copy of the form and checks and give it to the vp: finance. DO NOT hold on to receipts. Fill in partial cash receipts forms and give them to the vp: finance to deposit in the bank.
- After all Anchor Splash money has been received, transfer the total for each category to the Anchor Splash financial summary sheet.
Immediately upon completion of Anchor Splash/Anchor Games/Fundraising Event summarize your finances and distribute your proceeds to the Delta Gamma Foundation as voted on by the chapter.

• Collect any outstanding contributions, fees, etc.
• Pay any outstanding bills.
• Total all expense and income summary sheets. Using the Anchor Splash financial summary, enter the total income and expenses from each event. Subtract your expenses from your income to arrive at your total profit. Profit = Income – Expenses
• Record all chapter checks written from your Anchor Splash profits.
• Complete the Anchor Splash budget to determine profit.

Note: If all income and expenses are coded correctly as #332 in the chapter bookkeeping records, your monthly financial report also should show the same net profit amount.

What to do if Anchor Splash/Anchor Games/Fundraising Event money is collected and a deposit cannot be made during regular banking hours:

• Only checks can be deposited in an ATM. Do NOT deposit cash in an ATM.
• Before the scheduled event, call your local bank to find out the proper procedures for making a night deposit.
• For cash, ask if the bank has money bags that can be locked and see if the chapter can use them for making a night deposit.
• Deposit money as it is collected; record all of the deposits for your records. Deposit all cash, make copies of all checks and mail the tax-deductible checks made out to the Delta Gamma Foundation by UPS or Fed Ex to Executive Offices. Any check made out to the chapter should be deposited in the chapter account — it is NOT tax deductible.
• After deposits are recorded and you are ready to deposit the money, call campus security to escort you or another member to the bank to make the deposit.
• Ask your ATC, Foundation advisor or CFA for help in holding the money for you and getting it to the bank.
• VERY IMPORTANT! Deposit the cash ASAP! Do not store cash in your room.

Submitting the money to Delta Gamma Foundation for processing:

• Per chapter vote, direct the funds. Remember, ALL money raised must be distributed through the Delta Gamma Foundation. Make sure the vp: finance marks “Anchor Splash/Games” in the memo section of the check and indicates how the gift should be directed (see following pages for more information).
• Please work with your vp: finance and remind her to mail checks (no cash) and a copy of the completed Fundraising Finance Report Form submitted via Anchorbase to: Delta Gamma Foundation, 3250 Riverside Dr., Columbus, OH 43221.

Collegiate Fundraising FAQs

Q. My chapter was unable to hold our fall fundraiser as scheduled on the Anchorbase Calendar. We want to hold an alternative fundraising event next month to make up for the canceled fundraiser. Can we do this?
A. Yes, if you follow these steps before holding:
   - You will need to add the event to the master calendar on Anchorbase. Adding the event to the master calendar will generate all of the required fundraising forms through Anchorbase. Note: The pre-planning form is due 6-weeks before the event, so ensure that the date you pick is 6 weeks from the date you add to the calendar.
   - Work with your vp: programming to ensure that the fundraising event does not conflict with any chapter events.
   - The fundraising event date cannot have any event with alcohol 24 hours prior or 24 hours after the date of the fundraising event. (See Foundation Policies)
   - Holding a fundraiser without following the above procedures would be considered holding an unauthorized fundraiser, which could allow chapters to be vulnerable to liability issues.

Q. Can parents receive a tax write-off form if they donate to Anchor Splash?
A. Yes, it is possible for tax-deductible donations to come from parents or others for Anchor Splash. Their check is their receipt if the gift is under $250. If the gift is $250 or more, the Foundation will issue a receipt to the donor. However, in order to be tax-deductible there are specific procedures to follow.
   - Most importantly, the checks MUST be made payable only to Delta Gamma Foundation. Checks payable to Delta Gamma Fraternity or the collegiate chapter are not eligible for a tax deduction. Chapters cannot retain a portion of the proceeds for their own purposes.
   - Checks should be collected and sent to the Executive Offices/Foundation Accountant. Photocopies of the checks should be made for the chapter to keep for sending thank you notes to these donors.
   - If donations are made online via memberplanet, those funds go directly to the Delta Gamma Foundation. Make sure the fundraiser is attached to the Foundation account on memberplanet and the donor will receive a notification verifying tax-deductibility if their gift is $250 or more.

Q. How should chapters handle cash and checks received from a fundraiser?
A. NO CASH SHOULD BE SENT TO EO. The chapter should deposit all cash donations into their chapter checking account and record the amount in their 332 accounts.
   - If there is a positive balance in the 332 account, after expenses have been paid, then vp: finance needs to send a chapter check to the Foundation for the positive 332 account balance.
   - If the 332 account has a negative balance AND the Foundation Fundraising Finance Report Form shows positive net income from all sources (including checks payable to the Foundation and memberplanet online donations) then the vp: finance needs to request reimbursement for their fundraising expenses from the Foundation by emailing FoundationFinance@deltagamma.org.
• The Foundation Fundraising Finance Report Form should be sent to the Foundation by mail or through email if no checks are being sent, whether the 332 accounts have a negative or positive balance.

• Donations made through memberplanet will be sent directly to the Foundation (ensure that it is attached to the DG Foundation account) and are tax-deductible to the donor.

Q. Does my chapter have to pay sales tax on items purchased for a Foundation fundraiser?
A. Yes, the Delta Gamma Foundation is an Ohio corporation and as such is only exempt from sales tax in Ohio.

Q. Approximately how long does it take for a chapter to be reimbursed for expenses from a fundraising event?
A. Once the Foundation receives the chapter’s reimbursement request via email and supporting documentation (all receipts) and their fundraising proceeds – it could take up to 10 working days for them to receive their reimbursement.

If everything is received on a Monday (meaning all information from the chapter is correct upon being received by the Foundation) the Foundation may issue their reimbursement the following Wednesday. All fundraising reimbursements are sent via direct deposit to the chapter’s bank account on file with EO. The chapter’s Collegiate Finance Consultant is notified of the deposit and will code it in Greekbill for the chapter. The chapter vp: finance and vp: Foundation are notified when this process has been completed.

*If the Foundation accounting manager is out of office, there will be a delay.

Q. My chapter wants to set up an online fundraising account for donations for Anchor Splash – we were thinking about using PayPal – can we do this?
A. memberplanet is the Delta Gamma Foundation’s ONLY authorized online donation vendor. PayPal, GoFundMe, or other online options are not approved by the Foundation. Chapters holding Foundation fundraisers are not authorized to channel funds to a PayPal account, as doing so would void their donor’s tax deduction.

Utilizing memberplanet will also ensure that your donors see on their credit card statement that the Delta Gamma Foundation made the charge. For information regarding using memberplanet, please contact FoundationFinance@deltagamma.org.

Q. If a business donates a gift certificate or gift card, can that be tax deductible?
A. If a chapter is donating 100% of their net proceeds to the Foundation the chapter may tell the business that their gift is tax deductible. Otherwise, chapters should not make any representations to donors that the donor is entitled to any type of a tax deduction.

• For “official” receipts, charities are only required to issue them if the gift is $250 or more for cash or $500 or more for goods or services. Generally, our chapters do not receive gifts that meet these thresholds.

• We encourage chapters to send a thank you for gifts received. However, because donors that receive any benefit for their gift (such as advertising) are not entitled to a 100% deduction, we recommend the chapter not use any language that says the gift is deductible, just a simple thank you.
Q. If a business gives the chapter $20 as a sponsorship fee (it would get them real estate on their T-shirt and banner), would that $20 be a tax-deductible donation?
A. No, the very basic rule on charitable donations is that if you receive something in return for your donation the value of that item must be deducted from your donation. There are some exclusions but the basic rule applies.

In this situation the business is receiving advertising in return for their “donation”.
However, from their perspective generally an expense is an expense so they may not care if the $20 is a donation or advertising.

Q. What is the difference between an EIN number and tax ID number?
A. They are one in the same. Some people say EIN which is Employer Identification Number, the Foundation prefers Tax ID number, but they are the same. Essentially the number is the Foundation's Social Security Number and although it is typically presented as 31-6034001, it is nine digits just like your Social Security Number.

Q. We are planning to have a fundraiser with Chipotle. Before we can print the flyer, Chipotle needs the W-9 form for our Foundation and a letter (with DG's letterhead) that states the chapter will be hosting a fundraiser at Chipotle, date and will be receiving fifty percent of the company's income for the allotted time frame.
A. The chapter should contact their Regional Foundation Coordinator (RFNC) and confirm that 100% of the net proceeds from the fundraiser (including any portion of the gift directed to a local 501(c)(3) sight-related organization) will go to the Delta Gamma Foundation.

The RFNC will then provide you with a copy of the Foundation's W-9 and tax determination letter. Typically, the restaurant will send the funds directly to the Foundation, so we would like the chapter identified on the restaurant check or at least have the chapter alert the Foundation that a check is coming.

Q. If a business asks for a W-9 form and a letter on DG Foundation letterhead confirming that the money will go to the Foundation, where can we get that form and letter?
A. Follow the same steps as in the previous question.

Q. Can other organizations be involved as a partner or co-sponsor in Anchor Splash/Anchor Games?
A. Anchor Splash/Anchor Games are Delta Gamma events. The concept of having a fraternity or any other campus group/organization co-sponsor an Anchor Splash/Anchor Games event is something that the Foundation does not approve. Please refer to the Foundation Policies: Co-Hosting Collegiate Fundraising Events.

- We encourage our chapters to invite other groups, fraternities, other social clubs or intramural groups to participate in our fundraising events, but it's not approved by the Foundation for another group to co-sponsor a Delta Gamma Signature fundraising event. Please direct any questions to fundraising@deltagammma.org.
Q. One of our members is hoping the Delta Gamma Foundation will sponsor her for a 100-mile bike ride for Alzheimer’s Research. She will be wearing her DG shirt for positive PR for Delta Gamma. Can the Foundation sponsor her?
A. The Foundation is extremely proud of all our members and their efforts to support a variety of very worthwhile charities; however, the Delta Gamma Foundation does not endorse or sponsor individual members in their fundraising efforts.

Our Foundation works closely with other philanthropic organizations that share our Service for Sight mission and accordingly we are able, through the fundraising efforts of our collegiate and alumnae groups, to make significant grants to these organizations. Our grants allow these organizations to further their assistance to people who are blind or have low vision.

Q. Can our Canadian chapters use our online fundraising option with memberplanet?
A. Yes! If a Canadian chapter sets up a fundraiser and utilizes memberplanet the donor’s gift would be collected in US dollars. The donor’s credit card provider will then convert the gift to Canadian dollars. The Canadian chapter should indicate on their donation/campaign page with memberplanet that all gifts received are valued in US dollars and the Canadian dollar’s equivalent will be significantly higher. Contact fundraising@deltagamma.org for questions.

Q. We just realized that we did not submit all of our receipts from our fundraiser held last semester and we are asking to be reimbursed from EO? Can we get reimbursed?
A. Executive Offices requests that all reimbursement requests pertaining to Foundation fundraising events be sent in within 5 business days of EO receiving your Fundraising Finance Report Form (FFRF). Normally, after 5 business days your chapter will not be allowed a reimbursement. If you have a concern or special situation, please contact the Foundation fundraising finance specialist at FoundationFinance@deltagamma.org.

Note: It has become an issue when Delta Gamma Foundation receives reimbursement requests after checks directed to a local 501(c)(3) organization have already been sent.

Q. We had our chapter’s Signature fundraiser (Anchor Splash/Games) planned but now our university is going to online learning. What do we do?
A. There may be unforeseen circumstances that prevent your chapter from holding your Signature (Anchor Splash/Games) or Non-Signature fundraiser (food sales, auctions, etc). If this occurs, your chapter may decide to pivot to an online format due to not being able to hold in-person. Please contact your RFNC for guidance on how to do this. Please remember to use memberplanet, the only DG approved online vendor.
Alumnae Group Fundraising
Delta Gamma’s alumnae groups are key to the Foundation’s success. These efforts provide crucial funding for our three areas of support: Individual Member Support, Training and Programming, and Service for Sight. Foundation fundraising and donations provide vital assistance to many Foundation programs.

Alumnae groups are encouraged to make an annual donation to the Foundation. This may be done by hosting a fundraiser of any size or collecting donations from local members.

Thank you for all that you do to help us do good — we truly could not do it without you!

FUNDRAISING EVENT IDEAS FOR ANY GROUP SIZE
Please note that these are suggestions and that you are not required to choose an event from these lists. Original, creative event ideas are welcome — we can’t wait to see what you come up with! If you have questions, please contact your Regional Foundation Coordinator (RFNC).

Percentage nights at restaurants:
• Many restaurants offer programs to help organizations raise money. Contact the manager of a local restaurant to start planning. It’s a win/win for the restaurant and the group.
• Promote and invite local DG alumnae, local collegiate chapter(s), friends, and family.

DIY or virtual class fundraiser:
• Reach out to a local expert/professional or a member who has a special skill and set up a class to raise money for the Foundation. The group will receive a percentage of the fee and the expert can promote their business.
• This fundraiser could be cooking classes, floral arrangement, art lessons, tech workshops (anything that teaches a DIY skill).
• Charge participants a fee and/or admission for the supplies and to learn from the expert.
• Example: Ask a local florist to teach your attendees how to create an appealing floral arrangement. The event fee covers the cost of the flowers and vase/container while also providing a profit to be donated to the Foundation. If your event will be virtual, you may request that participants pick up their supplies before the class. Alternatively, alumnae members could pick up and deliver the supplies to participants.

In-person or online trivia tournament:
• For in-person trivia try partnering with a local establishment that might have an existing trivia night.
• Utilize memberplanet to create an event registration page; require a registration fee and encourage participants to create their own memberplanet fundraising pages for the event.
• To host the trivia game/tournament, use Zoom or a trivia platform like TriviaMaker or CrowdPurr.
• This is a great opportunity to raise awareness of the Foundation’s programs or eye health, vision loss, and sight preservation. Consider circulating or presenting information about these topics in the days leading up to the event and include a related category in your trivia game.

**Direct sale percentage fundraisers:**

• Reach out to local direct sale representatives to hold a percentage fundraiser with popular direct sale companies. Work with the representative to agree upon a percentage of the total sales that will be donated to the Foundation.

• Examples: jewelry, cosmetics and skincare, oils, cleaning supplies, cooking products.

**Donation challenges:**

• Ask your members to donate any amount for the Foundation and local Service for Sight organization. This can be done during in-person events or virtually via memberplanet.

• For example: share with members that your group would like to raise funds for a local guide dog organization. Share how the funds would be used and how they can donate. The donation period can be open for however long the group estimates it will take to raise the funds. We recommend picking something that could be raised in 1-3 months.

**Other ideas:**

• Hannah’s Purse: collection at in person events. Pass around basket to collect change or cash members might have in their purse. We recommend doing this at all events to keep the conversation of the donation top of mind.

• Founders Day: consider doing one of the following alongside your Founders Day; center piece sales, raffle, donation collections, ticket sales that include a percentage donation to the Foundation.

• Collegiate treat boxes: alumnae group works with collegiate chapter to sell treat boxes for the end of the term. These can be purchased by collegiate friends and family. Example: Purchased for $40, cost is $25 and $15 goes to the Foundation.

**USING MEMBERPLANET**

Memberplanet has collaborated with the Delta Gamma Foundation to create donation site templates, allowing you to fundraise online. Memberplanet is Delta Gamma's ONLY authorized online donation vendor. Utilize memberplanet to create a donation site or payment form for your Foundation fundraising event.

Visit the [Memberplanet Donation Site Instructions](#) in the appendix for step-by-step instructions and screenshots on setting up your donation site. If you need support, please email [FoundationFinance@deltagamma.org](mailto:FoundationFinance@deltagamma.org) for assistance.

Within memberplanet, your group may decide to utilize Venmo for a fundraiser or donation event. The memberplanet site MUST BE connected to the Foundation.

To connect with the Foundation using a payment form, the form must be created by the Foundation. For assistance with connecting Venmo, please email [FoundationFinance@deltagamma.org](mailto:FoundationFinance@deltagamma.org). This will ensure that the payment form is connected to the Foundation.
and that Venmo is activated. If you create your own payment form, Venmo will NOT be a payment option.

Venmo will only show up on mobile devices. It takes about 30 minutes for the Venmo option to show up on published donation sites and payment forms.

Fundraising money should not be collected through a personal Venmo account. Money collected through an individual's account is considered income, even if it is collected on behalf of the group and can cause issues for the individual with the IRS if audited.

For details on how to add members, assign administrative roles and other management of group members questions, go to support.memberplanet.com. Once on the home page: Manage Members>Administrator Tools and Resources>How do I create a New Administrative Role. If you are still in need of assistance, please contact the Foundation finance team at FoundationFinance@deltagamma.org and they will assist you.

**FUNDRAISING FINANCE REPORT FORM (FFRF)**
(Anchorbase>Foundation>Task>Fundraising Finance Report Form)

- vp: finance is to complete the FFRF WITH the assistance of vp: Foundation or president.
- The FFRF is due within 2 weeks AFTER the date of the fundraiser or donation event.
- vp: finance is to complete and submit the FFRF via Anchorbase and then PRINT A COPY of the completed form and send in with any checks made payable to the Delta Gamma Foundation and any receipts if reimbursement is needed for expenses. Send an email to FoundationFinance@deltagamma.org to inform EO that the documents and checks are in the mail.
- If there are no checks to be mailed, email a PDF copy of the completed FFRF and any receipts for reimbursement of expenses, to FoundationFinance@deltagamma.org.

**RISK MANAGEMENT AND DISABILITY ETIQUETTE**

When holding either a virtual or in-person fundraising event, it is vital that groups adhere to all Foundation Policies. It is Delta Gamma’s expectation that all fundraising activities include respect for members, participants and potential donors.

When promoting Service for Sight within your fundraisers, always refer to the Disability Etiquette Guide, included at the back of this handbook, to ensure that we are always respectful to people living with blindness or other vision loss who are the heart of our philanthropy.

**TABLES THAT BLOOM**

Tables That Bloom is the Signature Foundation event for alumnae which allows community members and Delta Gammas alike to showcase their design skills, event business or simply support our philanthropy. The event can be as small or as large as the group desires. It may include light desserts with tea and coffee or a complete meal. It might feature a variety of fundraisers including auctioning the centerpieces or having a silent/live auction. The most important thing to remember is that no amount of money raised to support the Foundation is too small! For more information, read the Tables That Bloom Resource on the following pages.

Introduction

In 2004, Greater Kansas City alumnae chapter brainstormed to create a signature fundraising event for alumnae. Over the next ten years they developed “Tables that Bloom” from a small dinner for Delta Gammas with tables decorated by Delta Gammas into a large community event raising thousands of dollars for the Delta Gamma Foundation along the way.

Recently, other alumnae groups have followed with their own versions of this event idea. The resources shared here can provide a map for successful fundraising for any group.

Mission:
To encourage a signature fundraising event for alumnae groups, offering resources and guidance tailored to assist any and all groups.

WHAT IS TABLES THAT BLOOM?

Tables That Bloom is an event that allows community members and Delta Gammas alike to showcase their design skills, event businesses or simply support our philanthropy. The event can be as small or large as the group desires. It may include light desserts with tea and coffee or a complete meal. It might feature a variety of fundraisers including auctioning the centerpieces or having a silent/live auction. The most important thing to remember is that no amount of money raised is too small!

Before Getting Started

It is important to think through a few items first...

Realistic expectation of volunteers needed:
• Does the majority of the alumnae group support the idea and are willing to help from start to finish?

Timing:
• Is there enough time to organize the event?
• And also, when is a good time to hold an event like this?

Budget & ticket pricing:
• It is important to put a preliminary budget together to understand all monetary components of the program.
• In determining a budget, a ticket price can be chosen and can help inform the final decision is this type of event is right for the alumnae group.

Venue options:
What are they?
A restaurant, a country club, a hotel ballroom or any venue that fits the size and needs of the event planned.

Entertainment options:
• Determine needs of event.
• Utilize local philanthropic leaders or personalities.

Leadership potential:
• Are there one or two members that want to champion this cause? Code name: Chair!

How to Start
The decision of the alumnae group is to move forward and plan a Tables That Bloom. No matter what size event the group feels like it can support, it is important to put a few things in place to get started.

Select a Chair:
• This a great way to involve a sister that might not want to take on an office but wants to help the group.

Select a date:
• Some groups find weekdays work better especially if the location is a country club.
• The name suggests spring but choose the date on what works best for your group.

Choose a theme:
• Decide if a theme for the event is wanted or needed. This can be incorporated on invitations, on your memberplanet donation page, etc. Make sure to use the official Delta Gamma brand.

EVENT DETAILS: STARTING SMALL
The following items are for the alumnae group that wants to start small.
• Small volunteer base
• DGs design limited number (»5) of tables - or enlist a friend/designer to design tables
• Private room in a restaurant
• Payments & donations by cash/check
• An additional fundraiser (a limited silent auction, wine tasting, 50/50 raffle, gift card giveaway, etc.)
• Beneficiary spotlight (info in program, pamphlets from organization, display, speaker, game, etc.)
• Promote in existing communication channels (newsletters, emails, Facebook, etc.)
• Electronic invitations
• Use the official Delta Gamma brand
• No corporate sponsorship

Please note...
• All materials must include that the event benefits the Delta Gamma Foundation and the 501(c)(3) organization of choice that supports our Service for Sight mission.
• Any Fraternity or Foundation officers or staff present should be recognized and would be happy to speak about the work of the Foundation.

EVENT DETAILS: GROWING YOUR EVENT
A few or all of the items below can be utilized to grow the event.
• Larger volunteer base
• More tables! Majority of tables designed by professional designers
• People's Choice Award for favorite table design
• Public venue (i.e., hotel, country club, convention center, art museum, etc.)
• Entertainment or guest speaker
• Beneficiary presentation
• Offering alcohol (determine how executed: complimentary, for purchase, included in ticket price)
• Facilitate sales of designer table items
• Larger scale or several money maker options (see list above)
• Virtual auction (allowing those not in attendance to bid on items)
• Live auction
• Utilize auction software
• Outsource the entire auction
• Corporate sponsorship
• DG underwriting of fixed costs (some alumnae groups have members willing to cover some budgeted items such as venue reservation, portion of food, advertising)
• Automated credit card payments via memberplanet
• Accept online donations & reservations via memberplanet
• Use the official Delta Gamma brand
• Snail mail invitations
• Nametags
• Website for event
• Community publicity (local radio, TV, magazines, newspapers, press releases, designer shops, etc.)

After the Event

• Tally all the donations and ticket sales.
• Pay all remaining expenses and take care of reimbursements.
• Complete the Fundraising Finance Report Form (FFRF) via Anchorbase and send a copy to Executive Offices no later than two weeks following the fundraising event with the fundraising checks. If no checks are to be mailed in, email a PDF of the completed FFRF to FoundationFinance@deltagamma.org.
• Please indicate on the FFRF how you would like to direct your gift. Alumnae groups can designate up to 90% of funds raised to a local 501(c)(3) that shares in the Foundation's Service for Sight mission.
• Conduct a wrap-up event to celebrate success and evaluate what can be improved. Be sure to send a report to your Regional Director, Regional Alumnae Specialist and Regional Foundation Coordinator.

Dear Community Friends:

On May 8th, the Delta Gamma alumnae of Greater Kansas City are sponsoring the 10th Annual Tables That Bloom luncheon and fundraiser. All proceeds benefit two local organizations, Alphapointe and the Children’s Center for the Visually Impaired (CCVI), as well as the Delta Gamma Foundation’s Service for Sight: Joining Forces program which assists service members with eye injuries.

Once again, the area’s finest designers will create amazing tablescapes, providing the perfect setting for an elegant luncheon. Guests will be inspired by keynote speaker and retired U.S. Army Brigadier General, Colleen McGuire.

The silent auction plays a significant role in our fund-raising effort. You can help us by donating a tax-deductible item from your organization for the auction. For tax purposes, all donations are made to the Delta Gamma Foundation, a 501(c)3 organization. I am happy to arrange to pick-up your donation at your place of business or you may mail it to me at the address at the bottom of this letter.

It is because of the generosity of companies like yours that our local charities continue to thrive and assist the diverse needs of these special individuals in our community. We thank you in advance for your participation with this worthwhile cause.

Individual Giving

How to Give
Giving to the Delta Gamma Foundation is a personal commitment, and the Foundation has established several different opportunities to allow each member to determine how they would like to support the mission of the Foundation.

Direct Your Gift
- Loyalty Fund (area of greatest need)
- Individual Member Support
- Training and Programming
- Service for Sight

FOUNDATION FUNDS
The Foundation has hundreds of funds for our three areas of support. Examples include:

**Loyalty Fund**: This annual fund provides funding for areas of greatest need to all Foundation areas of support: Individual Member Support, Training and Programming, and Service for Sight. Members, non-members, collegiate chapters and alumnae groups can support this fund.

**Individual Member Support**
- **Crisis Grant Fund**: This fund provides financial assistance to Delta Gamma members in crisis.

**Endowed Funds**: Funds created by individuals, chapters or groups permanently endowing scholarships, fellowships and other Foundation programs, including our three areas of support.

**Merit-Based Fellowship Fund**: Donations for one-time fellowships are placed in this fund.

**Merit-Based Scholarship Fund**: Gifts to general scholarships and one-time scholarships are placed in this fund.

**Sisters Helping Sisters: Need-Based Scholarship Fund**: This fund is designated to assist collegiate members who have proven financial need or who find themselves in a sudden or unexpected financial crisis.

**Training and Programming**
- **Training and Programming Fund**: This fund supports the Foundation grant to the Fraternity supporting Social Responsibility, Health and Well-Being, and Leadership, including anti-hazing, mental health initiatives, Diversity, Equity, and Inclusion training, sexual assault prevention and survivor support, The Lewis Institute, and other leadership training.

**Service for Sight**
- **Service for Sight Fund**: Donations to this fund support Service for Sight grants to organizations that share our Service for Sight mission through a grant application process.
Types of gifts

- **One-time gifts**: make a secure gift online at donate.deltagamma.org, or you may mail a check to the Delta Gamma Foundation, 3250 Riverside Drive, Columbus, OH 43221.

- **Recurring gifts**: Have gifts automatically deducted from your debit card, credit card or bank account through our secure giving site. You choose the amount and duration of your giving and can start or stop donations at any time.

- **Matching gifts**: Double the impact of your gift if your (or your legal partner’s) employer participates in a matching gift program. Contact your human resources department for more information and email the Foundation with any questions.

- **Tribute gifts**: Make a gift to any Foundation fund in honor or memory of someone special, as well as to sponsor a scholarship or fellowship. The Foundation will notify the honoree or the family of those memorialized.

- **Stocks**: Many donors may realize substantial tax advantages by transferring gifts of appreciated stock, bonds or mutual fund shares. Capital gains on the amount of appreciation are avoided, and the donor receives a tax deduction for the asset’s full market value.

- **Planned gifts**: Many donors discover they can make a substantial gift through planned giving, including trusts, life-income charitable gift annuities, gifts of fully paid whole life insurance policies, qualified retirement plan assets (i.e. 401(k) or IRA), and bequests. Donors may enjoy full tax benefits for such contributions, enhancing their own financial situation even as they make a lasting contribution to the Foundation. Learn more at deltagamma.myplannedgift.org.

- **Endowments**: Many donors choose to endow a scholarship, fellowship, or other area of support, including Training and Programming and Service for Sight. Please consult the resources in the Delta Gamma website library for more information on how to endow a scholarship or fellowship.

- **Blended gifts**: Combinations of outright and deferred gifts are welcome. For more information, please contact the Delta Gamma Foundation and visit our planned giving website: deltagamma.myplannedgift.org.
RECOGNITION
Recognition encompasses the ways the Foundation acknowledges and celebrates its culture of philanthropy. We foster a sense of community among donors through our donor recognition groups.

**What’s the difference between the Fraternity and Foundation?**

We are one Delta Gamma, but in accordance with Internal Revenue Code, the Foundation and Fraternity are two separate organizations. In 1951, the Delta Gamma Foundation was formed as a complement to the Fraternity, creating a vehicle for members to promote the educational interests and social responsibility referenced in Article II of the Fraternity Constitution. Each entity offers unique opportunities for our members to do good.

Article II of the Fraternity mission statement says “The objects of this Fraternity shall be to foster high ideals of friendship among women, to promote their educational and cultural interests, to create in them a true sense of social responsibility and to develop in them the best qualities of character.” To that end, the Delta Gamma Foundation was created to “provide a means by which the members of Delta Gamma Fraternity may act in concert with each other in the furtherance of exclusively charitable, scientific, literary and educational objectives.”

The Delta Gamma Fraternity and its chapters are formed under section 501(c)(7) of the tax code and as such gifts to the Fraternity are not tax deductible. The Delta Gamma Foundation is formed as a “Public Charity” under section 501(c)(3) of the Internal Revenue
Code. As a Public Charity the Foundation can support “charitable, religious, educational, scientific, literary, testing for public safety, fostering national or international amateur sports competition, and the prevention of cruelty to children or animals.” Gifts to the Foundation are tax deductible in the United States as allowed by law.

The Foundation is the philanthropic extension of the Fraternity. The Foundation conducts yearly fundraising campaigns to support programs, scholarships, fellowships, special projects and events. Gifts from individuals, alumnae groups and collegiate chapters help fund the Foundation's three areas of support: Individual Members Support, Training and Programming, and Service for Sight. Gifts to the Loyalty Fund support areas of greatest need.

The Fraternity funds most of the ANCHORA costs, establishing new chapters, membership records and training at Conventions and seminars.

There are a number of shared costs among the Delta Gamma entities, including technological advances and the support and maintenance of Executive Offices.

The relationship agreement between the Delta Gamma Fraternity (Fraternity) and the Delta Gamma Foundation (Foundation) was created to clarify both the symbiotic and business relationship of the two organizations. As each organization serves the same membership and is directed by that membership, this agreement outlines how each entity shall support the formative goals of the other in furtherance of Delta Gamma.

In furtherance of their respective mission statements, the Fraternity and the Foundation agree to work together to leverage the strengths and limitations of each entity to enhance and grow Delta Gamma.

Disability Etiquette Guide

and other helpful information on addressing, interacting and using appropriate language with individuals who are living with blindness or low vision
Introduction
This guide was compiled by caring Delta Gamma staff, volunteers and community partners and is meant as a resource of best practices for interacting with individuals with disabilities. Without a doubt, the words we use to refer to persons with disabilities matter. This language, however, has evolved over time, and terms that were commonly used and accepted may no longer be acceptable. It is important, therefore, to not only use appropriate language to ensure people feel included and there is no barrier to full and meaningful participation but to also raise awareness about how language has evolved over time and what language is appropriate to use today.

This document contains recommendations for language you might use when talking and/or writing about disability and other subjects, especially when talking or writing about our philanthropy Service for Sight. It is important to note that the world, communication and people are ever-changing. Language is a key tool in combating ableism, and it is our hope that you always use your best judgment and serve others with your heart. If you ever have questions about how to interact with an individual with a disability, it is always best to ask the individual with whom you are interacting directly.

When interacting with someone living with blindness or low vision, be yourself, relax and speak with the person in a normal tone of voice. Do not feel afraid to approach someone who is blind or visually impaired, and if you have trouble determining if they need assistance, simply ask – it is the kind thing to do. People living with blindness or low vision will let you know their needs.
**General Guidelines for Talking About Disability**

There are many words to use and ways to refer to individuals with a disability. The following information is meant to answer some questions about what language to use and not to use.

The chart below features some ways that people with disabilities are described. This list includes “outdated language” – these are terms and phrases that should not be used. This list also includes recommended language, which should be used to describe different disabilities and individuals. People have individual preferences for how you refer to them. What is “okay” for some people may not be “okay” for others. If you don’t know what to say, just ask how a person likes to be described.

HELPFUL HINTS
When talking about places with accommodations for people with disabilities, use the term “accessible” rather than “disabled” or “handicapped.” For example, refer to an “accessible” parking space rather than a “disabled” or “handicapped” parking space or an “accessible” bathroom stall rather than a “handicapped” bathroom stall.

Refer to a person’s disability only when it is related to what you are talking about. For example, don’t refer to people in general or generic terms such as “the girl in the wheelchair” since the wheelchair has nothing to do with the conversation you are having.

PEOPLE-FIRST LANGUAGE
A common trend and courtesy when talking about individuals with a disability is to use people-first language. The purpose of people-first language is to promote the idea that someone’s disability is secondary. It is not the defining characteristic of the entire individual. To use people-first language, one would refer to the individual first, then to their disability when it is relevant and appropriate. For example, say “person with a disability” rather than “disabled person.” Some people, however, refer to themselves using disability-first language. For instance, one might say, “I am a blind person.” We always respect the language choices of people when we are directly quoting them.

When in doubt, use the formula below as a way to speak about the individual and their disability:

<table>
<thead>
<tr>
<th>Name or Title of a Person</th>
<th>+</th>
<th>Verb</th>
<th>+</th>
<th>Assistive Device or Disability</th>
</tr>
</thead>
<tbody>
<tr>
<td>Customer, individual, professor, student, child, applicant, etc.</td>
<td>Has, uses, utilizes, etc.</td>
<td>Wheelchair, low vision, developmental delay, etc.</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Many guides on disability language and etiquette may likely emphasize using person-first language, except perhaps, when discussing certain disability cultural groups that explicitly describe themselves with disability-first language. While it is generally safe to use people-first language, there are members of certain disability groups in the United States who prefer not to use it, such as the American Deaf community and a number of Autistic people/Autistics. The basic reason behind members of these groups’ dislike for the application of people-first language to themselves is that they consider their disabilities to be inseparable parts of who they are. Using people-first language, some also argue, makes the disability into something negative, which can and should be separated from the person.

As mentioned throughout this resource, if you are in doubt, please feel free to ask the person about whom you are speaking.
Working with People with a Disability:

WHEN GUIDING SOMEONE WHO IS BLIND OR WHO HAS LOW VISION:

- Offer the use of your arm (at or around the elbow), walking normally. Don’t take their arm as this can be invasive. Most often an individual who is blind would rather take your arm.
- Consider the accessibility of a building when walking or navigating a space. Be mindful of the route you are guiding them through or directions you might give them when walking on their own.
- Give specific, non-visual directions. The words “here” and “there” are too general for descriptive use. Be specific and label objects that give direction and location.
- Orient an individual by using numbers on the face of the clock. Straight ahead would be 12, directly to the right would be 3, directly to the left would be 9, etc.
- Describe the layout of large rooms. A brief description of how the furniture is arranged can make it easier for that person to navigate their surroundings. Generally, an in-depth description is not needed. A description such as, “the room is set up in a classroom style” or “there is a low coffee table in front of the couch” will work.
- If you come to a door, mention how it opens (in or out, left or right).
- Indicate the direction of stairs (up or down) and if they are wide or narrow. If there is a handrail, it is often useful for individuals living with blindness or low vision to access the rail for additional guidance. Additionally, you don't need to tell the person how many stairs there are, as this can be confusing. Simply when to step up or down and use of the handrail is enough.
- When showing a person who is blind to a chair, guide them to the back of the chair. They will be able to navigate the rest.
- When dining out, offer to read the menu, including prices, if no braille menu is available.

SERVICE ANIMALS:

Some people living with blindness or low vision may use a service animal to assist them with daily living. Here are some tips on interacting with an individual and their service animals:

- Don’t distract, feed or pet the animal. These animals are working, and by distracting them you could be putting them in a situation that is detrimental to their owner.
- Even if the animal is at rest, be sure to ask the owner’s permission to interact with the animal.
- Respect the handler’s wishes. If they tell you something you should or should not do when interacting with their service animals, comply with their requests.
- Do not speak to the service animal when they are on duty. This can be distracting to the service animal, and they need to be alert to take commands from their handler. Instead, speak to the handler about any instructions or information.
- If you are guiding or walking with someone who has a service animal, walk on the opposite side of the service animal.
• Don’t say the animal’s name or feel like you have to introduce it. Saying its name can be distracting.

**WHEN SPEAKING WITH AN INDIVIDUAL WHO IS BLIND OR WHO HAS LOW VISION:**

• Identify yourself by name when initiating a conversation. You should not assume the person will recognize your voice. Just as you would identify yourself when you make a phone call, it is helpful to identify yourself when speaking to someone who is blind or who has low vision. Similarly, when with a group, it’s often helpful to go around the room and have everyone state their names so the individual who knows who is in the room.

• Don’t use hand signals. They may not be helpful to the person with whom you are speaking.

• Speak directly to the person. Do not speak to a family member or friend instead and ignore the person who is blind. Remember they can speak for themselves.

• Do not censor your language when speaking to individuals with disabilities. It’s perfectly okay to use words like watch, look and see when talking. People living with blindness or low vision know these words are part of normal conversations.

• Feel free to talk about visual entertainment, such as sports, television and movies.

• Give verbal indication when you walk away from a conversation or leave the room. If the individual to whom you are speaking can’t see you, they may not know you walked away. A quick word that you need to leave will eliminate any awkward moments.

**WHEN CREATING AN EVENT OR WORKING WITH AN INDIVIDUAL WHO IS BLIND OR WHO HAS LOW VISION:**

• Do not be afraid to ask questions. If you’re curious about the technology a person is using or if you would want to know what they can or can’t see, don’t be afraid to ask. Most people would rather have you ask questions than make assumptions.

• Provide electronic copies of material you’ll be handing out in hard-copy form or presenting via PowerPoint prior to a meeting. This gives staff with disabilities the opportunity to load the documents onto their computer or other device and print them in an accessible format or listen to them in auditory format. Providing copies ahead of time is a necessary component to the meeting.

• Try to avoid highly stylized typefaces. When preparing documents, avoid using stylized or graphical fonts, as these can be difficult for individuals with low vision to read. Instead, use easy-to-read, sans-serif fonts with clearly defined letters and clear spacing between the letters, such as Helvetica, Verdana or Arial.

• Add alternative text tags to graphics. If you insert a graphic or photograph into your PowerPoint presentation, Word document or web page, add alternative text tags which briefly describe the image. Depending on the software you’re using, this can usually be done by right-clicking on the graphic and choosing “properties.”

• Not all people who are blind or who have low vision use braille. Consider presenting information in alternative formats.
REMEMBER:

DO NOT MAKE ASSUMPTIONS - People with disabilities are the best judge of what they can or cannot do. Don’t make decisions for them. Depending on the situation, it could be a violation of the Americans with Disabilities Act (ADA) to exclude people because of a presumption about their limitations. For example, if you offer assistance and the individual declines, then it is important to respect their decision as they know what is best for themselves.

RESPOND GRACIOUSLY TO REQUESTS - When people who have disabilities ask for an accommodation, it is not a complaint. It shows they feel comfortable enough to ask for what they need.

DO GOOD - When you meet someone who is living with blindness or low vision, be yourself, use common sense and do good.

Alumnae Group FAQs

Do Good Hours

Q. What are Do Good Hours?
A. Delta Gamma would like to recognize members for all of the volunteer service they do in their communities, and as such, service hours are referred to as Do Good Hours. Service for Sight remains our philanthropy and priority for both fundraising and volunteer service. Completing volunteer service is encouraged of all our membership — to do as much good for our Service for Sight philanthropy and in their communities as their time, talents, and treasures allow. Individual members or alumnae groups can receive service hour credit for both Service for Sight and non-Service for Sight service hours. Please note that any alumnae group recognition from Delta Gamma will be based only on Service for Sight hours.

Learn more about Do Good: Service for Sight and Do Good: Non-Service for Sight Hours.

Q. Are alumnae groups eligible to receive Do Good Hours for eyeglass collecting?
A. Eyeglass collection is something that we as Delta Gammas love to do. There is no quantity of collecting eyeglasses to warrant a quantity of service hour(s). However, we are emphasizing actual hands-on service to others. Therefore, we encourage collecting of used eyeglasses at DG events but our groups will not receive Do Good: Service for Sight Hours for turning in pairs of eyeglasses. If you collect glasses for a group and then do service with that group as well, that would count as service.

Q. Can we submit General Mills Box Tops for Education™ to support the Delta Gamma Schools for Children with Visual Impairments?
A. Members will no longer receive service hours for submitting General Mills Box Tops for Education. You may choose to support a local school for the blind or one of the Delta Gamma schools that participates in the Box Tops program:
• Blind Children’s Center, Los Angeles
• Children’s Center for the Visually Impaired, Kansas City
• Foundation for Blind Children, Phoenix
Members should engage in hands-on service opportunities to earn Do Good Hours. Box Tops collection, while valuable to schools, should not be recorded as Do Good Hours.

Q. How do I log Do Good Hours in Anchorbase?
A. Please review the Tracking and Logging Do Good Hours in the Do Good Hours Overview for Alumnae section.

Q. By when do Do Good Hours need to be entered to be considered for annual Foundation awards?
A. Input all service hours by May 15 to be considered for Foundation awards. If a group event or any individual service hours occur after the May 15 deadline, vp: Foundation or president should estimate a reasonable amount that they feel will be warranted for the event(s) that follow the May 15 deadline.
Q. Can an alumna receive individual Do Good Hours if they volunteer for an organization that shares our Service for Sight mission?
A. Yes, they can get individual service hours for the time spent volunteering with the organization. If the member is employed by an organization with a mission similar to the Delta Gamma Foundation, they cannot get individual service hours for the time spent as an employee. Alumnae can also report Do Good: Non-Service for Sight Hours, but these will not be counted toward Foundation awards.

Q. Can an alumna receive individual Do Good Hours for raising a guide dog?
A. Yes, they can get individual service hours for raising a guide dog. A maximum of one hundred (100) hours maybe counted per year. These hours would count as Do Good: Service for Sight Hours (see Foundation Policies).

Q. Can alumnae read to people who are blind or have low vision for Do Good Hours?
A. Yes, this has been a critical part of our Service for Sight mission for many years. We encourage alumnae to pick a public place (i.e.; libraries, restaurants, coffee shop) to do readings. Only do readings at a person’s home if the member feels comfortable after establishing a relationship. These hours would count as Do Good: Service for Sight Hours.

Q. Can alumnae receive individual/group Do Good Hours for supporting a family member who is blind or has low vision?
A. No. Spending time assisting family members and friends needing special support, including people who are living with blindness or vision loss, is doing good but does not qualify for Do Good Service hours. Service is outward looking and based in the community, not for assistance to family and friends, which is personal (see Foundation Policies).

Q. Can my group/members get Do Good Hours for learning and education tied to vision or sight conservation?
A. In the past members could receive hours for what was called “awareness” or education around the areas of Service for Sight. This could be a speaker coming to an event, passing out education regarding Service for Sight. Groups/members will no longer receive hours for this activity. We encourage groups to still provide opportunities to hear from speakers who speak to vision/sight conservation as this motivates and inspires our membership to stay tied to Delta Gamma's philanthropy Service for Sight.

Q. Can an alumna receive individual service hours if they attend an event/fundraiser for an organization with a mission similar to Delta Gamma Foundation where there is a speaker discussing service for sight?
A. No, alumnae longer get individual service hours for the time listening to a speaker. For example, if they attend a three-hour fundraiser and there is a speaker, speaking to missions similar to Delta Gamma Foundation Service for Sight for 30 minutes, they will not receive Do Good Hours for that time. Our hope is that the member is inspired by the speaker to continue to support Service for Sight organizations with their time or fundraising and stay engaged with the Delta Gamma Foundation.

Q. If an alumnae group is on a report status, may they apply for the H.K. Stuart Spirit of Service Award?
A. No. Groups are eligible for awards only if they are in good standing. Reminder: the H.K. Stuart Spirit of Service Award is only given during Convention years.
Alumnae Foundation Fundraising

Q. Why do we fundraise?
A. Delta Gamma has been supported by collegiate chapters' and alumnae groups' fundraising for many years. Delta Gamma Foundation could not do what it does without the support from its membership and community. It is greatly appreciated and allows us to touch the lives of over one million adults and children each year.

Q. Who can we fundraise for?
A. Fundraising activities can be for either the Foundation or by directing a portion of the fundraising proceeds to a local 501(c)(3) organization that shares our sight-related mission.

Q. How can we direct our fundraising proceeds?
A. Alumnae groups may direct their gifts to any of the three areas of support of the Foundation: Individual Member Support, Training and Programming, and Service for Sight. Groups may designate 100% of their fundraising proceeds to a restricted fund, for example Crisis Grants, scholarships and fellowships, etc. The group may also direct up to 90% of their proceeds to a local 501(c)(3) of their choice that shares our Service for Sight mission and direct at least 10% to the Foundation.

Q. How do I send money raised to the Foundation?
A. We encourage all groups to direct a portion of their fundraising proceeds (up to 90%) to the local organization that shares our Service for Sight mission of their choice and the remaining portion of the proceeds to the area of greatest need of the Foundation. Doing that is easy! Within two weeks of the fundraiser, vp: Foundation in partnership with the vp: finance and/or president needs to complete the Fundraising Finance Report Form in Anchorbase (see question below on how to complete the form). Once completed it needs to be submitted and also printed and mailed to the Foundation along with fundraising proceeds.

Q. How do I complete the Fundraising Finance Report Form?
A. Steps to follow to complete the form:
1. Log in to Anchorbase.
2. Go to top of the Dashboard and click on Foundation. Select Tasks > Alumnae Fundraising Finance Report Form.
3. It will bring you to the Overview Page which will give you an overview of the Fundraising Finance Report Form.
4. Next page is Selection page. You will click On Demand which will take you to the Fundraising Finance Report Form.
5. Complete the task. Scroll down and click the Continue button which is the Validation step.
6. After hitting the Continue button on the Validation step, it will bring you to the top of the form where you will need to scroll down to the bottom of form again to type in your name and date to verify that all information is correct.
7. Hit the Continue button again to receive a “Receipt” confirmation.
8. DON’T FORGET to print a hard copy of the completed Fundraising Finance Report Form to send in with checks made payable to the Delta Gamma Foundation to Executive Offices. If no checks are to be mailed in, email a PDF of the completed FFRF to FoundationFinance@deltagamma.org.
If you want to view a completed form:
1. Go to Foundation tab
2. Click on Task/Form you’d like to view.
3. When overview sheet loads, click “Continue.”
4. Go to Selection page.
5. Click on View Note to the right of the task that you are wanting to view.
6. Go to the top of page and click on DATA.
7. You will be able to view the completed form.

Q. How do I ensure the organization that our group raised money for receives it?
A. To ensure your group receives credit from the Foundation for fundraising, all funds need to be sent to the Foundation first with the Fundraising Finance Report Form completed in Anchorbase and then a copy mailed to the Foundation.

Groups may designate up to 90% to a 501(c)(3) organization that shares our service for sight mission. The remaining 10% funds the Foundation’s three areas of support: Individual member support, Training and Programming, and Service for Sight. The 10% remaining with the Foundation is not a processing fee. Instead, it is a donation from the alumnae group to the Foundation.

Once processed by the Foundation, the organization to whom your group is directing a portion of your gift will receive a letter and check via mail. The alumnae group will be identified as the sponsor of the gift. Alumnae groups will not receive credit for gifts made directly to a 501(c)(3) organization that supports our Service for Sight mission.

Q. Can my group direct more than 10% to support the Foundation?
A. Yes, we encourage our alumnae to consider designating more than 10% to the Delta Gamma Foundation to support the Loyalty Fund (areas of greatest need) or on of the three areas of support of the Foundation.

Q. Once I mail my Fundraising Finance Report Form (FFRF) and funds to the Foundation, how long does it take for the organization we fundraised for to receive the donation?
A. Once the Foundation receives the completed FFRF and all fundraising dollars, it takes about 10 business days for the check to go to the organization that the alumnae group designated on the form. Again, all pieces need to be completed correctly or this can delay the process. A letter of the donation is sent to the president of the group for their records.

Memberplanet Donation Site Instructions

These instructions are for the Donation Site option and not the Payment Form option. If you need a payment form and need to utilize Venmo, you **MUST** email FoundationFinance@deltagamma.org to have the form set up. If you set up a payment form yourself, Venmo will not be a payment option.

**Logging in to memberplanet**
Make sure that you can login. You should have received an email at the beginning of your term from “No-reply@memberplanet.com” titled “Claim Admin Account.” The email would have gone to the email address you use to log into deltagamma.org and Anchorbase. This email was auto generated when you were set as an admin for your chapter account. If you don’t have this email and cannot get logged in, reach out to FoundationFinance@deltagamma.org or your Regional Foundation Coordinator (RFNC) to have the link resent.

**Donation Site Basics**
Click the **Donation sites** option in the left menu bar:

![Diagram of Donation sites option](image)

This will bring up a list of all the donation sites that have been previously created for your chapter. Here’s an example of what you will see:
There are two important things to note as illustrated by the arrows.

1. Always put your chapter name in the event title so your chapter gets fundraising credit with the Foundation.

2. Take note of the form owner of each event. The pink arrow illustrates who owns the form. If you want to have Venmo as a payment option, you must have the Delta Gamma Foundation as your form owner. You can make that happen by:
   - copying one of the existing forms with the Delta Gamma Foundation as the form owner (pink arrow)
   - using the template that has been set up for you (green arrow)
   - starting from scratch

   Use the settings icon to create the copy if you choose to copy the purple or green arrow options.

Having the Foundation as a form owner ensures that all your fundraising money goes straight to the Foundation's bank account, and it does not have to route through your chapter account. **This is the correct way to fundraise via memberplanet.**

Note the red arrow. That shows that the form owner is not the Delta Gamma Foundation (thus Venmo will not be a payment option) and the chapter name is not in the title, meaning your chapter will not receive fundraising credit with the Foundation.
Creating a Donation Site
To begin, hover over the Donation sites option on the left menu bar for pop up options. One of the options is to Create donation site. Clicking on that will bring up this page:

![Image of a webpage with options to create a donation site]

To get Venmo as a payment option, the Delta Gamma Foundation MUST be selected here. If you select your chapter, the Foundation will not be the form owner and Venmo will NOT be an option. The next page will bring up template options. You will be able to customize the template in the next steps.

DONATION SITE SET UP

- **Campaign Title**: Choose your event title (remember to include your chapter name in your title)
- **Why are you fundraising**: Customize the text that displays on your main fundraising screen. We have provided basic text that you can add to if you like.
- **Campaign Goal**: Set your chapter’s fundraising goal here.
- **End date**: Choose a date that is after the end of your event in case there are last-minute donations.
- **Add videos**: This is a good place to insert a Foundation video or footage from a previous fundraiser. This gives you a chance to show why you are fundraising.
- **Default donation**: This will set the amount in the donation payment box. It can be customized to whatever makes sense for your event. Donors can also edit this amount when they make their donation.
- **Giving levels**: Often fundraisers have sponsorship levels, so you can fully customize the title and amount of your level. If you want to add levels, just click the button that says “add a giving level.” People can only choose one giving level, so if you want to sell tickets or allow multiple payments, you will want to change this to a payment option in a future step.

After you’ve completed this section, click **Save and continue**.
DONATION SITE CAMPAIGN PAGE SET UP

The next screen is your main campaign page where more edits can be made.

- Customize the campaign link: memberplanet will set a default link, but you can edit that link or choose the shortened URL option by clicking the “customize” button.

- Change your accent color changes the button colors and the button text color.

- Keep the section that says, “Campaign by Delta Gamma Foundation”.
- Hover over the photo section to either hide or edit the header image.
- Keep the event title.
- Hover the social media icons to remove those share options from the final page by clicking “hide”. Most campaigns just keep this option included.

- Hover over the event text to hide or edit the large body of text entered in the previous main setup page.
- Add photo album: This isn’t typically used. Most chapters enter photos in the event text block above. If you would like to add photos to your donation site, email FoundationFinance@deltagamma.org for assistance.

- Add videos: If you didn’t add a video(s) on the previous screen, you can add those here.

- Add fundraisers chart: This will display a pie chart that will show how much money each person has raised through their supporter pages (see how to add those below).

This is what that chart will look like. This example includes the top fundraising teams, but this chapter also uses supporter pages for their chapter members.
• Add fundraisers: This will list the totals for each fundraising supporter page.

• Donors: This will list the names of all the donors. You can choose to hide this by hovering over the block.

• This section will display your fundraiser progress (the amount in the image is the default). Hover to pull up the “hide” option.

• Donate button: Hover over this to change the button text. Example: “Buy Tickets” might fit better for your event.

• Support this campaign box: We highly recommend this option to increase and track who is raising funds.
  • When your main donation page is published, anyone can click the “support this campaign” button to create their own fundraising page that is linked to your main fundraiser.
  • This allows chapter members to share their own page with their family and friends.
  • It is also an option to track the teams that are participating in your fundraising event.
  • As these supporter pages are created and funds are raised through those links, the fundraisers chart pie graph shown above will populate on your main page if you added that option. Teams are competitive and displaying the pie chart can play on that competitiveness and raise more money to keep a team on top.
  • When the final donor report is generated, the spreadsheet will show which supporter page was used for the donation, so you can see an itemized list there as well.
• Choose a giving level: The text in this box can be edited by hovering to bring up the edit menu.

• At this point, go ahead and click “Save and publish now”. Publishing the campaign will make it available for donations, but until you send out the link, you can still make edits to the donation site.

MANAGING YOUR DONATION SITE
You should see a page that looks like this once you publish the campaign:

- **View campaign** button allows you to preview your fundraising page before sending it out.
- **Edit** button allows you to go back and make edits to the items displayed above.
- **View reports** allows you to see all the payments details including whose supporter link was used (if you chose that option).
- **Add a thank you message** allows you to customize the response message to each donor.
- **Copy or customize the campaign page URL** allows you to change the URL if you didn’t do that previously.
• **Collect more information with a custom form** allows you to capture additional information in your form. For example, if you are hosting Desserts with DG and want to get an idea of how many pre-sales will require specific dietary restrictions, you could add a custom form that allows you to collect that information.

• **Customize giving levels or payment options** is used when you are selling items. You might set this up for a food sale where you have different prices for each item. Raffle sales is another option to utilize customized payment options. It is a good idea to keep an open donation option for general donations. Note: Choosing to customize the payment options will remove the giving levels, but you can add in a payment option that mimics giving levels. They won’t show on the main landing page.

• **Redeem a code** is utilized for events where tickets are required or where there are presales. When this option is activated, donors will receive an email receipt that has a QR code on it that will be scanned at the event. It acts as a contactless ticketing option. Anyone can scan the QR code to “redeem” it. If the donor forgets to bring their QR code to the event, memberplanet admins can manually redeem the sale through the “view reports” menu.

You likely won’t need any of the additional options listed in the top right section or most of the ones listed in the bottom section highlighted in light blue. If you do, please reach out to FoundationFinance@deltagamma.org for assistance.
**Venmo**

The use of a business, chapter or personal Venmo account for Foundation fundraising is strictly prohibited. This includes chapter members collecting money and then donating it to a memberplanet donation site or payment form. There are potential IRS consequences such as being audited and having to pay taxes on the money collected, along with the potential for fraud. Venmo is only allowed through a memberplanet donation site or payment form that's connected to the Foundation.

Venmo will populate as a payment option as seen below:

![Venmo Payment Options]

This will allow your donors to pay via a credit card, their bank or Venmo. If this is their first time using Venmo through memberplanet, donors will need to do a verification so that they authorize Venmo and memberplanet to connect. Once that is done, they will be linked going forward.

If you have any questions or issues with memberplanet, please reach out to your Regional Foundation Coordinator or FoundationFinance@deltagamma.org.
