

Frequently Asked Questions

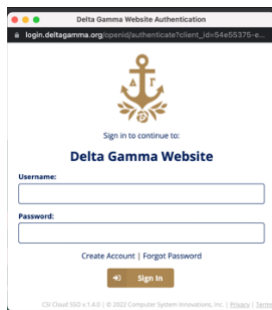

New Delta Gamma Website

DID DELTA GAMMA CHANGE THEIR WEBSITE? WHY?

You may notice a few changes to deltagamma.org, as we upgrade the backend of our website in June. These changes are minor and should not impact the overall user experience – we hope these changes will make our website easier to use! The upgraded backend of the website will allow for continuous improvements to website and for new features to be added.

WHAT CHANGES WERE MADE TO THE WEBSITE?

The major changes to the website that users may notice are upgrades to the menu navigation throughout the website, including a new drop-down main menu, seamless user account integration at login, better mobile functionality and minor improvements throughout.

The new Delta Gamma login screen.

WHO DO I CONTACT IF I FIND AN ISSUE WITH THE NEW WEBSITE?

Please contact commdept@deltagamma.org if you find an issue with the new website or if have any questions.

WILL MY LOGIN BE THE SAME? HOW DO I CREATE OR RECOVER MY ACCOUNT?

Yes, your login will be the same. To create an account, [click here](#). You will be directed to a page that will walk you through verifying your information and creating a Delta Gamma account. To reset your password, [click here](#). You will be directed to a page that will walk you through verifying your account and resetting your password. If your account is currently locked, it will be unlocked when you reset your password. If you are still unable to create or access your account, please contact dg-ee@deltagamma.org and a staff member will assist you.
