

# Using Your **ACCUMULATED SURPLUS**

## DELTA GAMMA OPERATIONS

### ► Executive Offices Renovation

Your chapter has the chance to be part of the recognition program for the renovation of Delta Gamma Executive Offices. This is a unique opportunity to have your chapter's name etched in DG history by contributing to the new building's recognition program. Several recognition options are available, which you can explore [here](#).

Click [here](#) to take a virtual tour of our current Executive Offices and learn more about the special areas where recognition opportunities are available. We're excited to share this once-in-a-lifetime chance with you and hope you're just as thrilled about the possibility of having your chapter's name recognized.

A commemorative donation plaque will be displayed in the Executive Offices for any contributions that are not tied to a specific named recognition opportunity.

*To discuss this opportunity further, please reach out to Fraternity Fundraiser and Grant Writer Sarah Galiotto at [sarah.galiotto@deltagamma.org](mailto:sarah.galiotto@deltagamma.org).*

## DELTA GAMMA FRATERNITY PROGRAMMING

### ► Belonging, Equity, Inclusion & Diversity (BEID) Education and Trainings

Chapter gifts would allow Delta Gamma to explore the creation of a new BEID program for collegiate chapters facilitated by experts and other new opportunities.

### ► Collegiate Development Consultant Program

Delta Gamma Collegiate Development Consultants (CDCs) are recent graduates whose full-time responsibility is to support our collegiate chapters across the United States and Canada. Chapter gifts to the CDC program would assist in ensuring that all chapters can continue to benefit from consultant support.

### ► Hope Serving

This program is a service-learning experience that allows Delta Gamma members to participate in hands-on service related to our Service for Sight mission.

### ► Leadership Programming

We are committed to providing transformational leadership education that equips members with skills needed to exceed during their time in the collegiate chapter and beyond. Chapter gifts to leadership programming allow Delta Gamma to continue to expand in-person leadership development opportunities, like **Lewis Institute** for emerging leaders and **Anchor Academy** for chapter officers.

### ► Mental Health Programming

We know that supporting our sisterhood's mental health is critical and essential. Chapter gifts would allow Delta Gamma to continue to explore creation of a program for collegiate chapters facilitated by experts, expand access to mental health resources and further develop mental health-related training for officers and advisers.

*To discuss these programs or other Fraternity programs, reach out to Director of Training, Development & Member Experience Kendall Niccum at [kendall.niccum@deltagamma.org](mailto:kendall.niccum@deltagamma.org).*
