

Anchoring the Future

The Campaign for Delta Gamma

Donor Recognition 2018-2022

In celebration of our Sesquicentennial Biennium, the Delta Gamma Foundation, in partnership with the Fraternity, is in the midst of a campaign to ensure the future of our sisterhood. Anchoring the Future: The Campaign for Delta Gamma is for all alumnae and collegiate members of Delta Gamma and will provide a lasting foundation to build upon the ideals we cherish.

We're thankful for each and every one of the following individuals and groups who made it possible to reach this exciting moment through all gifts made to the Foundation from July 1, 2018 to June 30, 2022, prior to the public launch of the campaign. Their generosity amounted to more than \$39 million in contributions, creating huge impact and propelling this initiative toward a campaign goal of \$50 million by Convention 2024.

With the heartfelt giving of these donors and the collective power of our sisterhood, Delta Gamma remains an unstoppable force for good. Thank you!
