The Delta Gamma Foundation Governance Committee

GOVERNANCE COMMITTEE PURPOSE AND AUTHORITY

In accordance with Article VII, Section 1, of the Delta Gamma [Foundation Constitution](#), the Governance Committee is appointed by the Board of Trustees. Each of the five members are appointed for a two-year term, which commences at the Foundation annual meeting held in odd-numbered years. The Board of Trustees appoints one member of the Governance Committee to serve as the Chair.

The primary function of the Governance Committee is to present to the Board of Trustees and the voting membership of the Foundation qualified candidates for election to the Board of Trustees. In addition, the Governance Committee conducts exit interviews with retiring Foundation volunteers to ascertain pertinent information about their volunteer experience to be shared with the Board of Trustees.

To accomplish these functions, the GC references the Foundation Constitution, Foundation Policies, the timeline, the election guidance and procedures, and other Foundation resources. The GC also develops other documents for use in both the slating and nominating process and conducting exit interviews, such as model correspondence and questionnaires.

The Governance Committee also presents to the Board of Trustees, a slate of qualified candidates for appointment as Regional Foundation Coordinators (RFNCs).

GOVERNANCE COMMITTEE MEMBERSHIP

As provided for in Article VII. Section 1A. of the Delta Gamma [Foundation Constitution](#), the Governance Committee is comprised of five members. The Governance Committee is comprised of five members; two voting members of the Foundation, an alumna in good standing and, if possible, the remaining two members should be a former Fraternity Council member and a former BOT member. All Governance Committee members must be in good standing. Each Governance Committee member serves for a two-year term and may serve up to two, two-year terms, for a total of four years. A retiring or departing member of the Delta Gamma Foundation Board of Trustees (elected or ex officio) is ineligible to serve on the Delta Gamma Foundation Governance Committee for two years after her Foundation Board of Trustees service ends.

Election Guidance and Procedures

INTRODUCTION

The Delta Gamma Foundation is governed by a Board of Trustees (BOT) comprised of six elected Trustees and three ex-officio voting Trustees. The six elected Trustees are elected by the voting membership of the Foundation and serve three-year terms. Each elected Trustee is limited to serving two terms. Trustees are elected at the Foundation annual meeting.

In accordance with the Foundation Constitution, the BOT appoints a Governance Committee to act as its nominating committee. The Governance Committee is comprised of five members; two (2) voting members of the Foundation, an alumna in good standing and, if possible, the remaining two (2) members should be a former Fraternity Council member and a former BOT member. It is the responsibility of the Governance Committee to, among other things, present at least one candidate for each vacancy occurring on the BOT to the BOT and the Foundation's voting membership by April 15.

Following the announcement of the Governance Committee's nominations, participants of the Foundation may nominate a Delta Gamma alumna in good standing for the BOT vacancies. The purpose of this document is to set forth the procedures the Foundation will follow when filling vacancies on the BOT and the election of BOT officers.

 - If only one candidate receives a majority, that woman is elected to one vacancy. The remaining candidates will proceed to a run-off for the second vacancy; the woman with the majority after this second round of voting is elected to the second vacancy;
 - If no candidate gets a majority after the first round of voting, the two women with the highest number of votes participate in a run-off for one vacancy. The woman with the majority after the second round of voting is elected. A third vote is taken with the unsuccessful candidate from round 2 and the remaining candidates. The woman who receives a majority in round 3 is elected to fill the second vacancy.
 - If there are four or more candidates for the two vacancies, the voting will follow this same pattern (two women with highest number participate in a run-off) until two women have been elected.
- The Foundation Constitution Chair or, in her absence, a neutral party appointed by the BOT and appointed monitors will collect and count the votes.

- The Chair of the BOT and the Foundation Parliamentarian, or her designated alternate, will be informed of the outcome of the election.
- The Foundation Constitution Chair and the Foundation Parliamentarian, or their designated alternates, will inform the candidates of the outcome of the election.
- The results of the election will be announced at an appropriate time.

ELECTION FORUM

Should there be more candidates than vacancies, either because the Governance Committee has slated more than one candidate for each vacancy or due to participant nominations, there shall be an election forum during the Foundation annual meeting or at some other appropriate time before the election.

- The Foundation Parliamentarian, or in her absence, a neutral party appointed by the BOT, will preside over the election forum. She will have the authority to disallow any personal attacks or emotional outbursts.
- The Foundation Constitution Chair or, in her absence, a neutral party appointed by the BOT will act as the official timer.
- Every nominee will participate in the election forum.
- Each nominee will present a speech of not more than three (3) minutes regarding her qualifications and intended actions as a Trustee.
- Nominees will speak in alphabetical order (by last name), regardless of method of nomination.
- There will be no question or answer period.

POST-ELECTION

- The BOT Chair will administer the Oath of Office at an appropriate time. In the event the sitting BOT Chair is being re-installed as a Trustee, the next ranking officer/Trustee shall administer the Oath of Office.
- All information received relative to the election of Trustees shall be destroyed at the completion of the election process.

ELECTION OF BOT OFFICERS

In accordance with the Foundation Constitution, all officers of the BOT serve for three years or until the end of their term as a Trustee. In the event of an expiring officer term, an officer election will be held at some point following the election of Trustees. Depending on the circumstances as described below, the following procedures will govern the election of officers.

Nominations:

Chair of the BOT is in mid-term or retiring from the BOT:

- Two weeks after the close of participant nominations, the BOT Chair will send a call for officer nominations to all current elected Trustees, slated nominees or participant-nominated nominees identifying the officer positions available.
- Any current elected Trustee, slated nominee or participant-nominated candidate must signify in writing her interest in any eligible office to the BOT Chair.

- Any sitting Trustee may also nominate any other current elected Trustee, slated nominee or participant-nominated candidate for an office by sending the woman's name to BOT Chair.
- All nominations must be sent to the BOT Chair within seven days of the call for nominations.
- At the end of the allotted time period, the Chair of the BOT will announce to the BOT and all slated and participant-nominated candidates, the nominees for all available officer positions. The Foundation Constitution Chair and the Foundation Parliamentarian shall be copied on the announcement.

BOT Chair's term is expiring, and she is eligible for another term:

- Two weeks after the close of participant nominations, the senior BOT officer not standing for reelection will send a call for officer nominations to all current elected Trustees, slated nominees and participant-nominated candidates identifying the officer positions available.
- Any sitting Trustee, slated nominee or participant nominated nominee must signify in writing her interest in any eligible office to the senior BOT officer not standing for reelection.
- Any sitting Trustee may also nominate any current elected Trustee, slated nominee or participant-nominated candidate for an office by sending the woman's name to the senior BOT officer not standing for reelection.
- All nominations must be sent within seven days of the call for nominations.
- At the end of the allotted time period, the senior BOT officer not standing for reelection will announce to the BOT and all slated and participant-nominated candidates, the nominees for any available officer position. The Foundation Constitution Chair and the Foundation Parliamentarian shall be copied on the announcement.
- In the event all officer positions are open and all six elected Trustees are candidates, then the Fraternity President, as the senior Trustee, shall conduct the election.

Election:

- Following the election of Trustees, the new BOT will meet to elect officers. The Foundation Parliamentarian, the Foundation Constitution Chair and the Governance Committee Chair will be in attendance.
- If the Chair of the BOT is in mid-term or retiring, she shall conduct the election.
- If the Chair of the BOT has just been elected to a second term as a Trustee, regardless of whether she is running for an office, the senior BOT officer not standing for reelection will conduct the election.
- If there is only one candidate for each office, a voice vote may be taken. The Foundation Parliamentarian and Foundation Constitution Chair will count the votes.
- In the event there are two candidates nominated for a position, each candidate will give a short statement not to exceed two minutes. The Foundation Parliamentarian will act as timer. Voting will be by written ballot and the Foundation Parliamentarian and Foundation Constitution Chair will count the votes.
