## Quick Guide for Revised Fraternity Standards for Collegiate Chapters

The Fraternity Standards for collegiate chapters are intended to identify chapter expectations that align with Article II and serve as a guiding tool for evaluating chapter success. Performance related to these standards will determine chapter status, support and awards. Chapters will be formally evaluated annually, with informal rolling evaluations and checkpoints to be conducted throughout the year to allow chapter officers an opportunity to intentionally design their goals and action plans while also working to do good. The standards are categorized into seven areas of the chapter, as described below.

1. **Chapter Culture:** Sisterhood, inclusivity, member programming, new member pursuit
2. **Health, Well-Being and Member Safety:** Policy and procedures, social event processes, educational programming
3. **Honor Board:** Accountability, retention, policy and procedures of Honor board
4. **Operations:** Effective meetings and teamwork, completing tasks and meeting deadlines, setting and accomplishing goals
5. **Finance:** Creates and maintains budgets, files financial paperwork, pays bills, holds members accountable
6. **Recruitment:** Member training and involvement in recruitment, recruitment operations, recruits members based on Article II
7. **Community:** Positive impact with campus and local community, relationships with advisers and other volunteers, positive social media presence, alumnae relations

### Who's responsible?

- All CMT officers should be aware of Standards and actively reviewing as a group to ensure they are meeting standards
- CMT officers should involve and delegate to JCMT when appropriate
- All chapter members should be made aware of the Standards by a presentation to the chapter once/term

### Where will I see the Standards?

- CDC Reports post-visits
- Patricia Peterson Danielson award that occurs annually
- Convention credentialing
- Chapter status changes and status letters

### What resources can help me understand and use the standards?

- Module for all CMT officers in The Pursuit
- Fraternity Standards
- CMT Planning Tool
