Executive Offices Renovation FAQ

When is Executive Offices (EO) closing?

The Executive Offices at 3250 Riverside Drive will have very few staff onsite after June 10, 2024, when the Convention truck departs. We anticipate the EO will be completely empty by June 24, 2024, to begin renovations. However, the Operations staff will be on-site at 3220 Riverside Drive, Monday through Friday, from 9 a.m. to 5 p.m. ET, ensuring a seamless transition during this project. They will be answering phones, receiving and sorting mail, answering the door and generally continuing their usual processes, just at a different address.

When will the renovations be complete?

We look forward to welcoming visitors to the new spaces next year.

Will there be a new address or phone number during the renovation?

No. The same phone, email and mailing addresses will apply. As the new phone system is instituted, staff will begin to have their direct lines in their email signature.

An operations staff member will answer the phones, sort mail and answer the door at 3220 Riverside Drive from Monday through Friday, 9 a.m. to 5 p.m. ET.
