

## **Creating a Culture of Care: New Member Prevention Education Frequently Asked Questions & Troubleshooting**

In accordance with our **Risk Management Philosophy**, Delta Gamma seeks to educate collegians on making empowered choices through new health and well-being initiatives. The Creating a Culture of Care program is generously funded by the Delta Gamma Foundation.

### **WHAT IS CREATING A CULTURE OF CARE?**

Creating a Culture of Care is an interactive prevention education program that empowers new members to make safer, healthier and more compassionate choices. ### **HOW WILL NEW MEMBERS ACCESS THE PROGRAM?**

New members must claim their Delta Gamma member account first in order to access the program. Once new members claim their member account, they will login to The Pursuit with the same username and login credentials. Please refer to page 28 of the **New Member Pursuit Workbook** for more specific instructions to log into Creating a Culture of Care program.

### **SHOULD A NEW MEMBER CREATE AN ACCOUNT?**

No, every new member will have an account once they claim their Delta Gamma member account. The new member's Delta Gamma account is synced to Creating a Culture of Care program. Do not create a new account on the platform.

### **WHAT IF I DO NOT REMEMBER MY DELTA GAMMA MEMBER LOGIN CREDENTIALS?**

You can reset your member login **here**. Please allow 24 hours before attempting to access Creating a Culture of Care due to your login credentials updating. If you continue to have issues, please contact **helpdesk@deltagamma.org**.

### **WHAT IS EXPECTED TO BE COMPLETED PRIOR TO INITIATION?**

All new members will be expected to complete all surveys and modules in the training library before Initiation. All Creating a Culture of Care modules and surveys should be completed before Initiation.

4. If the new member is using their computer, they should try using their cell phone and vice versa

## **WHAT SHOULD I DO IF A NEW MEMBER FINDS ANY OF THE CONTENT TO BE TRIGGERING?**

Modules that cover content related to sexual misconduct prevention and mental health awareness are eligible for excusal if a new member is uncomfortable or triggered by the content. Please reach out to Assistant Director for Health & Well-Being **[Kollin Fitzpatrick](#)**. This will be managed on a case-by-case basis.

## **HOW WILL OFFICERS MANAGE PROGRESS AND COMPLETION OF THE PROGRAM?**

The vp: member education or director of new members will be able to easily monitor progress and completion via the Creating a Culture of Care Progress report in Anchorbase (Member Education > Reports > Creating a Culture of Care Progress).

## **A NEW MEMBER HAS PROVEN THEY COMPLETED THE PROGRAM, BUT THE PROGRESS REPORT IS NOT CORRECT. WHAT SHOULD I DO?**

Due to the nature of syncing third party data management platforms to Creating a Culture of Care, there are sometimes errors. As long as you are able to confirm with the individual new member they have completed the program, that is ok.

If you have multiple reporting issues, or wish to have the report manually updated, please reach out to Assistant Director for Health and Well-Being **[Kollin Fitzpatrick](#)**.
