

2026-28 Election Forum Speeches

Council Trustee: Collegians | **Kristina Magovac, Delta Eta-Cal State, Sacramento**
Delivered on June 26, 2026, at Delta Gamma's 72nd Biennial Convention

Good morning, sisters. I am Kristina Magovac, initiate of Delta Eta-Cal State, Sacramento, and it has been my honor to serve as your Council Trustee: Collegians for the past biennium. Standing here today, I am reminded of something simple but powerful: Delta Gamma has never been content with staying still. We grow. We evolve. We rise to meet the moment.

Over the last two years, I've had the privilege of working alongside the Collegiate Team and staff, women who are bold, curious, resilient and deeply committed to shaping our members' experiences. What we've learned is this: no two members walk the same path, and that is one of our greatest strengths. Each woman deserves an experience that not only meets her expectations but exceeds them in ways she never imagined.

As Council Trustee: Collegians, my focus has been, and will continue to be, ensuring that every chapter has the support, the tools and the freedom to grow in ways that reflect their unique identities. Growth is not one-size-fits-all. It is personal. It is intentional. And it is rooted in listening to the voices of our members: **you**.

We are at a moment in Delta Gamma's history where evolution isn't optional; it's essential. You are navigating a world that is changing faster than ever, and you deserve an organization that evolves with you. That means strengthening leadership development, reinforcing accountability, expanding chapter support mechanisms, championing inclusion and creating spaces where every member feels seen, valued and empowered.

In the upcoming biennium, I remain committed to elevating the collegiate experience, not by preserving what has always been, but by boldly shaping what can be. Together, we can build a Delta Gamma that honors our history and traditions while embracing innovation and ensures that every member leaves her collegiate years saying "yes" to Delta Gamma for life.

Thank you for trusting me, for challenging me and for inspiring me. I am honored by the opportunity to continue serving you.
